

# 1911 SLIDE FITTING BARS - 1911 SLIDE FITTING BAR .119" (3.0226MM)

[Gunsmith Tools & Supplies](#) > [Handgun Tools](#) > [Slide Tools](#)

## Remove Slide "Play" Accurately & Professionally

Surface ground and hardened tool steel bars in ten thicknesses - Recommended by agency armorers and top pistolsmiths as the most accurate way to remove vertical slide "play" from the 1911 Auto, its variations and copies. May be slower than the quick-and-dirty methods, but gives an infinitely more accurate and professional job. Basic procedure as follows: Measure gun's slide rail thickness; place closest-sized Slide Fitting Bar in frame "way"; tap frame rail with light hammer to close the "ways" space down to match the slide rail thickness. Complete instructions included.

# Safety Instruction Guide for 1911 Slide Fitting Bars

## Introduction

Thank you for choosing the 1911 Slide Fitting Bars. This guide provides important safety information and instructions for the proper use of this product. By following these guidelines, you can ensure a safe and effective experience while using the Slide Fitting Bars.

## General Safety Guidelines

- Ensure safe use of the product by following all instructions carefully.
- Always inspect the Slide Fitting Bars for any damage or defects before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose as described in this guide.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the Slide Fitting Bars.
- Ensure that the workspace is clean, dry, and welllit to prevent accidents.
- Avoid using excessive force when tapping the frame rail with a hammer to prevent damage to the firearm or injury to yourself.
- Do not use the Slide Fitting Bars if you are unsure about the procedure or if you are not confident in your ability to safely perform the task.
- Always follow the basic procedure outlined in this guide to minimize risks associated with improper use.

## Instructions for Installation and Usage

### 1. Measure Gun's Slide Rail Thickness

- Use a caliper or appropriate measuring tool to determine the thickness of the gun's slide rail.

### 2. Select the Closest Sized Slide Fitting Bar

- Choose the Slide Fitting Bar that most closely matches the measured thickness of the slide rail.

### 3. Prepare the Frame

- Place the selected Slide Fitting Bar in the frame "way" of the firearm.

### 4. Tap Frame Rail

- Using a light hammer, gently tap the frame rail to close the "ways" space down to match the slide rail thickness.
- Ensure that you apply even pressure and avoid excessive force.

### 5. Complete the Process

- After adjusting, check the fit of the slide to ensure that there is no vertical play.
- Follow any additional instructions included with the product for further adjustments or checks.

## **Disposal Instructions**

- Dispose of any damaged or worn Slide Fitting Bars in accordance with local regulations.
- Do not dispose of the product in regular household waste. Instead, contact local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Slide Fitting Bars, please contact the manufacturer or authorized retailer where the product was purchased. Ensure to keep your purchase receipt for reference.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with the 1911 Slide Fitting Bars. Thank you for your attention to safety and proper usage.
