# Safety Instruction Guide for the Barrel SetBack Fixture Master Barrel Set Back Furniture Set Replacement Cutter

## Introduction

Thank you for choosing the Barrel SetBack Fixture Master Barrel Set Back Furniture Set Replacement Cutter. This guide provides essential safety instructions and usage guidelines to ensure safe handling and operation of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure the product is used in accordance with the manufacturer's instructions.
- Always wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when operating the cutter.
- Keep the work area clean and welllit to avoid accidents.
- Store the product in a safe place, out of reach of children and unauthorized users.
- Be aware of your surroundings and ensure that no one is in the immediate area when using the cutter.
- Regularly inspect the product for any signs of wear or damage before use.

## Specific Safety Precautions for Use

- Always check that the adjustable carbide cutter is securely attached before use.
- Do not attempt to modify the product or use it for unintended purposes.
- Ensure that the barrel or firearm is unloaded and cleared of any ammunition before starting any work.
- Use the product only on materials specified by the manufacturer.
- Avoid wearing loose clothing or jewelry that could become entangled with the cutter.
- If you experience any discomfort or notice unusual noises during operation, stop using the product immediately and inspect it for issues.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure you have all components of the kit: steel fixture body, adjustable carbide cutter, bore pilot, adjustable pilot carrier, and Allen wrench.
- Set up your workspace in a clean, welllit area.

### 2. Installing the Cutter:

- Use the Allen wrench to secure the adjustable carbide cutter to the steel fixture body.
- Check that the cutter is firmly in place and does not wobble.

### 3. Setting Up the Barrel:

- Insert the barrel into the fixture body.
- Adjust the pilot carrier to fit the specific caliber of the barrel being worked on.

### 4. Using the Cutter:

- Begin by slowly rotating the cutter against the barrel until the desired gap is achieved.
- Maintain a steady hand and control the pressure applied to the cutter.

## 5. PostUsage:

- Once finished, carefully remove the barrel from the fixture.
- Clean the cutter and fixture body to remove any debris or residue.

## Disposal Instructions

- Dispose of any worn or damaged components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any inquiries or concerns regarding the product, please refer to the manufacturer's contact information included with the product packaging. Ensure that you have the product details ready for a more efficient response.

Remember, your safety is paramount. Always follow these guidelines to ensure a safe and effective experience with the Barrel SetBack Fixture Master Barrel Set Back Furniture Set Replacement Cutter. Thank you for choosing our product, and happy crafting!
