

# M14/M1A/M1 GARAND RIFLE ACTION WRENCH & HEAD - BROWNELLS COMPLETE SPRINGFIELD M1A ACTION WRENCH

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Wrenches](#) > [Action Wrenches & Components](#)

The only commercially available action wrench system that surrounds and supports the receiver ring and recoil lug to distribute potentially damaging torque forces equally. The solid steel base has a unique, machined relief to clear the recoil lug on most Mauser-type bolt action rifles and, the individual, bolt-on Heads are machined to provide an exact fit around and against the receiver ring or barrel nut for each of the firearm models listed. Together, they support the receiver in a ring of steel and greatly increase the amount of surface gripping area to totally eliminate twisted bolt ways or damaged, ruined receivers. This is the most advanced, complete, professional-quality, Action Wrench System. With it, you can prevent expensive receiver damage on MOST popular rifle actions, including military models, plus, models for selected handguns. Supports top, side and bottom of the forward ring of the receiver. Fits most variations of these rifles including the BM-59.

# **M14/M1A/M1 GARAND RIFLE ACTION WRENCH & HEAD BROWNELLS COMPLETE SPRINGFIELD M1A ACTION WRENCH Safety Instruction Guide**

## **Introduction**

Thank you for choosing the M14/M1A/M1 Garand Rifle Action Wrench & Head by Brownells. This product is designed to provide a safe and efficient way to work on your rifle. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## **General Safety Guidelines**

- Ensure the product is used only for its intended purpose as described in the product manual.
- Always inspect the wrench and heads for any signs of damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Use the product in a wellventilated area to avoid inhaling any dust or debris.
- Report any unsafe conditions, accidents, or product issues to the appropriate authorities.

## **Specific Safety Precautions for Use**

- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the action wrench.
- Ensure the rifle is unloaded and the chamber is clear before beginning any work.
- Do not exceed the recommended torque specifications to prevent damage to the receiver or injury.
- Avoid using the wrench on firearms not specified in the product manual.
- Use caution when handling sharp edges or moving parts during installation and usage.

## **Instructions for Installation and Usage**

### **1. Preparation**

- Gather all necessary tools and ensure your workspace is clean and organized.
- Read the product manual thoroughly to familiarize yourself with the components.

### **2. Installation**

- Select the appropriate bolton head that fits your firearm model.
- Align the head with the receiver ring or barrel nut and secure it using the provided fasteners.
- Ensure the head is firmly attached and does not wobble.

### **3. Using the Action Wrench**

- Position the action wrench around the receiver ring and recoil lug.
- Apply even pressure while turning the wrench to avoid damaging the receiver.
- If resistance is felt, stop and reassess the situation before proceeding.

### **4. PostUsage**

- After completing the work, carefully remove the wrench and heads.
- Inspect the firearm to ensure no damage has occurred during the process.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in general waste; instead, follow guidelines for metal recycling if applicable.
- Ensure that any hazardous materials are handled according to safety regulations.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety and usage of the M14/M1A/M1 Garand Rifle Action Wrench & Head, please refer to the manufacturer's contact information provided with your product.

By following these safety instructions, you can ensure a safe and effective experience with your M14/M1A/M1 Garand Rifle Action Wrench. Thank you for your attention to safety.
