

# FN-FAL RIFLE ACTION WRENCH & HEAD - FN/FAL ACTION WRENCH HEAD ONLY

[Gunsmith Tools & Supplies](#) > [General Gunsmith Tools](#) > [Wrenches](#) > [Action Wrenches & Components](#)

The only commercially available action wrench system that surrounds and supports the receiver ring and recoil lug to distribute potentially damaging torque forces equally. The solid steel base has a unique, machined relief to clear the recoil lug on most Mauser-type bolt action rifles and, the individual, bolt-on Heads are machined to provide an exact fit around and against the receiver ring or barrel nut for each of the firearm models listed. Together, they support the receiver in a ring of steel and greatly increase the amount of surface gripping area to totally eliminate twisted bolt ways or damaged, ruined receivers. This is the most advanced, complete, professional-quality, Action Wrench System. With it, you can prevent expensive receiver damage on MOST popular rifle actions, including military models, plus, models for selected handguns. Two-piece head fits inch and metric pattern receivers. Provides clearance for full length cocking handle rails.

# **FNFAL Rifle Action Wrench & Head Safety Instructions**

## **Introduction**

Thank you for choosing the FNFAL Rifle Action Wrench & Head. This product is designed to provide a safe and effective means of working with FN/FAL rifle actions. Please read this safety instruction guide carefully to ensure proper use and to avoid potential hazards.

## **General Safety Guidelines**

- Ensure that the product is used only for its intended purpose.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the action wrench.
- Keep the work area clean and welllit to avoid accidents.
- Store the action wrench and heads in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the action wrench and heads for any signs of wear or damage before use.
- If you notice any defects, do not use the product and contact your supplier for guidance.

## **Specific Safety Precautions for Use**

- Always ensure that the firearm is unloaded and the chamber is clear before using the action wrench.
- Use the correct head that matches the specific model of your firearm to ensure a proper fit and safe operation.
- Do not exceed the recommended torque specifications when using the action wrench, as this may cause damage to the firearm or the wrench.
- Avoid using excessive force to prevent injury or damage to the firearm.
- If you are unsure about the proper use of the action wrench, consult a qualified gunsmith or refer to the firearm's manual.

## **Instructions for Installation and Usage**

### **1. Preparation:**

- Ensure that the firearm is unloaded and the work area is clear.
- Gather all necessary tools and the appropriate action wrench head for your specific FN/FAL model.

### **2. Installation of the Action Wrench Head:**

- Select the appropriate head designed for your FN/FAL model.
- Align the head with the receiver ring or barrel nut.
- Secure the head in place using the provided bolts, ensuring a snug fit without overtightening.

### **3. Using the Action Wrench:**

- Position the action wrench around the receiver ring and recoil lug.
- Ensure that the wrench is properly seated and that the firearm is stable.
- Apply torque gradually and evenly. Monitor the force applied to avoid exceeding the recommended limits.
- After completing the task, carefully remove the action wrench and head from the firearm.

### **4. PostUse:**

- Clean the action wrench and heads after each use to remove any debris or residue.
- Store the action wrench and heads in a protective case or designated storage location.

## **Disposal Instructions**

- Dispose of any damaged or worn parts of the action wrench and heads in accordance with local regulations.
- If the product is no longer usable, consider recycling materials where possible.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the contact information provided by your supplier or manufacturer.

By following these safety instructions, you can ensure a safe and effective experience with the FN FAL Rifle Action Wrench & Head. Always prioritize safety and consult professionals when necessary. Thank you for your attention to these important guidelines.
