Safety Instruction Guide for 1032 TPI Crimper Tip Only

Introduction

Thank you for choosing the Brownells 1032 TPI Crimper Tip. This guide provides essential safety instructions and usage guidelines to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR). Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always inspect the Crimper Tip for any signs of damage or wear before use. Do not use if damaged.
- Keep the Crimper Tip out of reach of children and vulnerable individuals to prevent accidental injury.
- Follow all instructions provided in this guide to avoid hazards associated with improper use.
- In case of an emergency or accident, report it to the relevant authorities.

Specific Safety Precautions for Use

- Use the Crimper Tip only with the Brownells 1911 Plunger Tube Staking Tool.
- Wear appropriate personal protective equipment, such as safety glasses and gloves, when using the tool.
- Ensure that the workspace is clean and free of distractions to maintain focus during use.
- Do not exceed the recommended torque specifications when using the Crimper Tip to avoid breakage.
- Do not modify the Crimper Tip in any way, as this may compromise safety and functionality.

Instructions for Installation and Usage

1. Installation:

- Ensure that the Brownells 1911 Plunger Tube Staking Tool is clean and free of debris.
- Align the 1032 TPI Crimper Tip with the tool's designated attachment point.
- Secure the Crimper Tip by turning it clockwise until it is firmly attached.
- Check that the Crimper Tip is securely fastened before proceeding to use the tool.

2. Usage:

- Position the tool and Crimper Tip over the plunger tube to be staked.
- Apply gentle pressure to the tool to engage the Crimper Tip with the plunger tube.
- Gradually increase pressure until the staking process is complete. Avoid excessive force.
- Once the staking is complete, carefully remove the tool and inspect the work for quality assurance.

Disposal Instructions

- Dispose of the Crimper Tip in accordance with local regulations for metal waste.
- Do not dispose of the Crimper Tip in household waste.
- Consider recycling options if available in your area.

Contact Information for Further Support

For any inquiries regarding safety, usage, or concerns about the product, please refer to the EU-based contact point provided by the manufacturer or retailer where the product was purchased.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and effective experience with the Brownells 1032 TPI Crimper Tip. Thank you for prioritizing safety in your use of this product.
