# Safety Instruction Guide for 1911 Match Grade Link Pin

## Introduction

Thank you for choosing the 1911 Match Grade Link Pin. This guide is designed to provide you with important safety information and instructions for the proper use and installation of this product. Please read this guide carefully to ensure safe and effective use.

## General Safety Guidelines

- **Product Safety:** This product is designed for use in building Match Grade 1911 Autos. Ensure you understand its purpose and limitations.
- **Avoid Hazards:** Always inspect the link pin for any signs of damage or wear before use. Do not use a damaged link pin.
- **Online Shopping Safety:** If purchased online, ensure you are buying from a reputable seller who complies with EU safety requirements.
- **Vulnerable Groups:** Keep this product out of reach of children. It is not intended for use by individuals under the age of 18.
- **Rapid Alerts:** Stay informed about any safety recalls related to this product by checking the EU Safety Gate platform regularly.
- **Report Unsafe Products:** If you encounter any unsafe products or accidents, report them to the relevant authorities.

## Specific Safety Precautions for Use

- **Installation Safety:**
  - Ensure that the link pin hole is reamed before installation for optimal fit and safety.
  - Use appropriate tools and techniques to avoid personal injury during installation.
- **Handling:**
  - Wear safety glasses and gloves when handling the link pin to protect against sharp edges.
  - Avoid applying excessive force during installation to prevent damage to the pin or firearm.
- **Storage:**
  - Store the link pin in a dry place away from moisture to prevent corrosion.
  - Keep the link pin in its original packaging or a secure container when not in use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a reamer, safety glasses, and gloves.
- Ensure your workspace is clean and welllit.

### 2. Reaming the Link Pin Hole:

- Use a reamer to prepare the link pin hole. This step is crucial for ensuring a proper fit.
- Follow the manufacturer's instructions for the reamer to achieve the correct diameter.

### 3. Installing the Link Pin:

- Align the link pin with the prepared hole in the firearm.
- Gently insert the link pin, ensuring it is seated correctly.
- Chamfered ends allow for easier installation; apply light pressure to push the pin into place.

- Check for proper alignment and function after installation.

#### **4. Final Inspection:**

- After installation, inspect the link pin to ensure it is securely in place.
- Test the function of the firearm to confirm proper operation.

## **Disposal Instructions**

- **Disposal of Old Parts:**

- If you are replacing an old link pin, dispose of it in accordance with local regulations for metal waste.

- **Recycling:**

- Consider recycling the link pin if possible. Check with local recycling facilities for guidelines on metal recycling.

## **Contact Information for Further Support**

For any inquiries regarding safety, installation, or product support, please refer to the contact information provided by your retailer or manufacturer. Ensure you have the product details on hand for assistance.

By following these guidelines, you can ensure the safe use and installation of the 1911 Match Grade Link Pin. Thank you for your attention to safety and for choosing our product.
