# Safety Instruction Guide for 1911 Match Grade Link Pin

## Introduction

Thank you for choosing the 1911 Match Grade Link Pin. This product is designed for building Match Grade 1911 Autos, ensuring precision and durability. To ensure your safety and the effective use of this product, please read and follow the guidelines outlined in this safety instruction guide.

## General Safety Guidelines

- Always handle the link pin with care to avoid injury.
- Ensure that the link pin is suitable for your specific model (Government, Commander, Officers).
- Keep the product out of reach of children and vulnerable individuals.
- Regularly check for any signs of wear or damage before installation.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Ensure that the link pin hole is reamed for optimal installation.
- Wear safety goggles and gloves when handling and installing the link pin to protect against sharp edges.
- Do not use the link pin if it shows signs of deformation or damage.
- Avoid using excessive force during installation to prevent injury or damage to the firearm.
- Always follow the manufacturer's guidelines for installation and usage.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a reamer, safety goggles, and gloves.
- Ensure your workspace is clean and welllit.

### 2. Reaming the Link Pin Hole:

- Use a reamer to enlarge the link pin hole to the appropriate size for a proper fit.
- Ensure the reamer is sharp and in good condition to avoid damaging the firearm.

### 3. Installation:

- Align the link pin with the reamed hole.
- Gently insert the link pin into the hole, making sure it is seated properly.
- Chamfered ends should allow for smooth installation; if resistance is met, check alignment.
- Do not force the link pin into place.

### 4. Final Checks:

- Once installed, check the link pin for secure fitment.
- Test the functionality of the firearm to ensure proper operation.

## Disposal Instructions

- Dispose of any damaged or unused link pins in accordance with local regulations.

- Do not dispose of link pins in regular household waste.
- Contact local waste management authorities for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the 1911 Match Grade Link Pin, please refer to the product packaging for contact details or consult with your retailer for assistance.

Thank you for your attention to these safety guidelines. By following these instructions, you will ensure a safe and effective experience with your 1911 Match Grade Link Pin.
