Safety Instruction Guide for REVOLVER ACTION WRENCH FOR S&W N FRAME

Introduction

Thank you for choosing the Revolver Action Wrench for S&W N Frame. This product is designed to provide safe and effective support for your firearm maintenance needs. Please read this safety instruction guide carefully to ensure safe usage and compliance with EU safety regulations.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in the product description.
- Always handle firearms with care and follow all safety protocols when using this wrench.
- Keep the wrench and its components out of reach of children and vulnerable individuals.
- Regularly inspect the wrench for any signs of wear or damage before each use.
- In case of any malfunction or safety concern, discontinue use immediately and consult a qualified professional.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before attempting to use the wrench.
- Use the wrench in a welllit area to avoid accidents.
- Do not apply excessive force when using the wrench to prevent damage to both the wrench and the firearm.
- Always wear safety glasses to protect your eyes from potential debris.
- Store the wrench and interchangeable heads in a secure location when not in use.

Instructions for Installation and Usage

1. Preparation

- Ensure that the firearm is completely unloaded.
- Gather all necessary components: the Base/Handle Unit and the appropriate interchangeable head.

2. Attaching the Head

- Align the interchangeable head with the square socket on the Base/Handle Unit.
- Insert the head firmly into the socket until you hear a click, indicating it is securely attached.

3. Using the Wrench

- Position the wrench around the firearm's frame, ensuring that the nomar aluminum heads are in contact with the surface.
- Apply gentle pressure to secure the fit, ensuring the frame is fully supported.
- Turn the wrench as needed, using a steady and controlled motion.

4. PostUse Care

- After use, detach the interchangeable head by pressing the release button on the Base/Handle Unit.
- Clean the wrench and heads to remove any debris or residue.
- Store the wrench in a dry, safe place.

Disposal Instructions

- Dispose of the wrench and its components in accordance with local regulations.
- Do not dispose of the product in household waste. Instead, take it to a designated recycling facility if available.
- Ensure that any damaged parts are disposed of safely to prevent injury.

Contact Information for Further Support

For additional support or inquiries regarding safety or product usage, please consult your local retailer or the manufacturer's customer service. Always refer to the EU Safety Gate platform for updates on product recalls or safety concerns.

By following these guidelines, you can ensure a safe and effective experience with your Revolver Action Wrench for S&W N Frame. Thank you for your attention to safety.
