# Safety Instruction Guide for REVOLVER ACTION WRENCH HEADS FOR S&W N FRAME

## Introduction

Thank you for choosing the Revolver Action Wrench Heads designed specifically for Smith & Wesson N Frame firearms. This guide provides essential safety instructions, usage guidelines, and disposal information to ensure safe and effective operation of the product. Please read this guide carefully before using the product.

## General Safety Guidelines

To ensure your safety and the safety of others, please follow these general safety guidelines:

- Always read and understand the product instructions prior to use.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product for any damage before use. Do not use if damaged.
- Ensure work area is clean and free from distractions while using the wrench.
- Wear appropriate personal protective equipment (PPE), including safety glasses and gloves, when using the tool.
- Do not exceed the recommended torque specifications for your firearm.
- Store the wrench and heads in a dry place to prevent corrosion.
- Follow all local laws and regulations regarding the use of firearms and tools.

## Specific Safety Precautions for Use

When using the Revolver Action Wrench, please take the following precautions:

- Ensure the firearm is unloaded and pointed in a safe direction before attaching the wrench.
- Use only the designated heads with the compatible handle to avoid accidents.
- Do not modify the wrench or heads in any way.
- Avoid using excessive force that may lead to injury or damage to the firearm.
- Do not use the wrench for any purpose other than intended.

## Instructions for Installation and Usage

Follow these steps for proper installation and usage of the Revolver Action Wrench:

### 1. Preparation:

- Ensure the firearm is unloaded and safe.
- Gather all necessary tools and components.

### 2. Attaching the Head:

- Select the appropriate aluminum head for your firearm model.
- Align the head with the handle's square drive.
- Firmly push the head into the handle until it clicks into place.

### 3. Using the Wrench:

- Position the wrench around the firearm frame.
- Ensure the head is securely seated on the firearm.
- Apply torque gradually and evenly. Do not exceed the recommended specifications.

#### **4. Removing the Head:**

- To detach the head, press the release button on the handle.
- Pull the head straight out to avoid damaging the connection.

#### **5. Cleaning and Maintenance:**

- After use, wipe the wrench and heads with a clean, dry cloth.
- Store in a protective case to prevent damage.

## **Disposal Instructions**

When the product has reached the end of its life cycle, please dispose of it responsibly:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal methods of metal and aluminum products.
- Consider recycling the materials where possible.

## **Contact Information for Further Support**

For any inquiries related to safety or product information, please refer to the designated contact points provided by the manufacturer.

By following these guidelines, you can ensure safe and effective use of the Revolver Action Wrench Heads. Thank you for your attention to safety and compliance.
