

MAUSER RECEIVER HOLDING FIXTURE - MAUSER 98 RECEIVER FIXTURE

[Gunsmith Tools & Supplies](#) > [Rifle Tools](#) > [Bench & Vise Blocks](#)

Provides A Stable Platform For Working On Mauser Receivers

Provides complete access to these hard-to-hold receivers, without the worry of crushing or damage. Securely holds Mauser receivers and barreled actions in a bench vise, drill press or milling machine when drilling and tapping for scope bases, polishing, bolt lapping, milling or other modifications. The receiver is rigidly clamped to the fixture using a plate inside the frame rails and/or the stock mounting screws. Fits military and commercial M98 actions.

MAUSER RECEIVER HOLDING FIXTURE SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the MAUSER Receiver Holding Fixture for your Mauser 98 receivers. This product is designed to provide secure and stable support for your receivers during various modifications. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that all users are familiar with the MAUSER Receiver Holding Fixture and its intended use.
- Always use the fixture in a wellventilated area.
- Keep the work area clean and free of unnecessary clutter to prevent accidents.
- Wear appropriate personal protective equipment (PPE), such as safety goggles and gloves, when using the fixture.
- Do not use the fixture for any purpose other than its intended use.
- Regularly inspect the fixture for any signs of wear or damage before each use.

Specific Safety Precautions for Use

- Ensure that the fixture is securely clamped in place before beginning any work.
- Avoid overtightening the clamp, as this may cause damage to the receiver or the fixture.
- Always support the receiver properly to prevent it from slipping or falling.
- Be cautious when using power tools in conjunction with the fixture to avoid injury.
- Keep hands and body clear of moving parts and sharp edges during use.

Instructions for Installation and Usage

1. Preparation

- Unpack the MAUSER Receiver Holding Fixture and check for any damage.
- Ensure all components, including the clamp plate and bolt, are included.

2. Installation

- Securely mount the fixture in a bench vise, drill press, or milling machine.
- Adjust the fixture to accommodate the size of the Mauser receiver you are working with.
- Use the plate inside the frame rails and/or stock mounting screws to rigidly clamp the receiver.

3. Usage

- Once the receiver is securely held, proceed with your intended modifications, such as drilling, tapping, or polishing.
- Monitor the fixture and receiver during use to ensure stability and safety.
- After completing your work, carefully release the clamp and remove the receiver from the fixture.

Disposal Instructions

- Dispose of the MAUSER Receiver Holding Fixture in accordance with local regulations.
- If the fixture is damaged or no longer usable, consider recycling metal components where applicable.

Contact Information for Further Support

For any safety inquiries or additional support regarding the MAUSER Receiver Holding Fixture, please refer to the relevant local authorities or your point of purchase. Always ensure that safety is your first priority when using this product.

Thank you for your attention to these safety instructions. Enjoy using your MAUSER Receiver Holding Fixture safely and effectively.
