OXPHOBLUE® CREME Safety Instructions

Introduction

Thank you for choosing OXPHOBLUE® CREME GUN BLUE. This product is designed for easy application and provides a tough finish for your projects. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always use this product in a wellventilated area to avoid inhalation of fumes.
- Keep out of reach of children and pets to prevent accidental ingestion or exposure.
- Avoid contact with skin and eyes; wear appropriate protective gear such as gloves and goggles.
- Store the product in a cool, dry place away from direct sunlight and heat sources.
- Dispose of any unused product or waste in accordance with local regulations.

Specific Safety Precautions for Use

- Before applying the creme, ensure that the surface is clean and free from rust, oil, and dirt.
- Conduct a patch test on a small area to check for any adverse reactions.
- Do not apply the product near open flames or sparks, as it is flammable.
- If you experience skin irritation or respiratory issues, discontinue use immediately and seek medical attention.
- In case of eye contact, rinse thoroughly with water for at least 15 minutes and seek medical help if irritation persists.

Instructions for Installation and Usage

1. Preparation:

- Ensure the surface is clean and dry.
- Shake the container well before use to ensure even consistency.

2. Application:

- Using a clean cloth or applicator, apply a thin, even layer of OXPHOBLUE® CREME to the desired area.
- Allow the creme to sit for the recommended time as per your project requirements.

3. Finishing:

- Wipe off any excess creme with a clean cloth.
- Allow the treated surface to cure as per the instructions on the product label.

4. Cleanup:

- Clean tools and applicators with a suitable solvent immediately after use.
- Wash hands thoroughly after handling the product.

Disposal Instructions

- Dispose of any leftover product in accordance with local waste disposal regulations.
- Do not pour down the drain or dispose of in regular trash.
- Check for any specific disposal instructions on the product label.

Contact Information for Further Support

For further assistance or inquiries regarding safety, please refer to the manufacturer's contact details provided with the product packaging.

By adhering to these safety instructions, you can ensure a safe and effective experience while using OXPHOBLUE® CREME. Always prioritize safety and consult professionals if you have any doubts or concerns about the application process. Thank you for your attention to these important guidelines.
