# COPPER ANTISEIZE 8 OZ. Safety Instructions

## Introduction

Thank you for choosing Brownells Copper AntiSeize. This product is specially formulated to protect your parts from corrosion while ensuring they move freely. Please read and follow these safety instructions carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always use the product in a wellventilated area to avoid inhalation of fumes.
- Keep the product out of reach of children and pets.
- Do not use the product near open flames or high heat sources.
- Avoid skin contact; use gloves if necessary.
- In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.
- Store the product in a cool, dry place away from direct sunlight and heat sources.

## Specific Safety Precautions for Use

- Ensure the surface to be treated is clean and dry before application.
- Do not apply the product on surfaces that will come into contact with food or drinking water.
- Use only as directed; do not mix with other chemicals or products unless specified.
- If you experience any adverse reactions such as skin irritation or respiratory issues, discontinue use immediately and consult a healthcare professional.
- Dispose of any unused product or empty containers in accordance with local regulations.

## Instructions for Installation and Usage

### 1. Preparation:

- Clean the area to be treated with a suitable cleaner to remove any dirt or grease.
- Ensure that the surface is completely dry before applying the antiseize.

### 2. Application:

- Shake the jar well before use.
- Apply a thin, even layer of Copper AntiSeize to the threaded areas or surfaces as needed.
- Use a brush or applicator for precise application.

### 3. PostApplication:

- Allow the product to set for a few moments before reassembling parts.
- Ensure that any excess product is wiped away to prevent contamination.

## Disposal Instructions

- Dispose of the product and its container in accordance with local waste disposal regulations.
- Do not pour leftover product down the drain or into the environment.
- Check with your local waste management authority for specific disposal instructions.

## Contact Information for Further Support

For any questions or concerns regarding the safety and use of Brownells Copper AntiSeize, please refer to the appropriate consumer safety contact point in your region.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
