GARNET LAPPING COMPOUND 600 GRIT Safety

Instruction Guide

Introduction

Thank you for choosing the GARNET LAPPING COMPOUNDS BROWNELLS GK5 GARNET LAPPING COMPOUND 600 GRIT. This product is designed for honing closefitting parts to achieve an ultrasmooth, frictionfree fit. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Ensure that you understand the intended use of the product before starting.
- Always keep the product out of reach of children and vulnerable individuals.
- Use the product only as directed and avoid any misuse.
- Store the product in a cool, dry place, away from direct sunlight and heat sources.
- Monitor for any recalls or safety alerts related to this product on the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):**

- Wear safety goggles to protect your eyes from dust and splashes.
- Use gloves to prevent skin contact with the abrasive paste.
- Consider wearing a dust mask if you are sensitive to inhalation of particulate matter.

- **Handling and Application:**

- Avoid inhaling dust generated during application.
- Do not ingest the product; it is not foodsafe.
- Ensure proper ventilation in the area where the product is used.

- **Potential Hazards:**

- This product contains petroleumbased components; avoid open flames and sparks.
- The abrasive nature of the product can cause skin irritation; wash hands thoroughly after use.

Instructions for Installation and Usage

1. **Preparation:**

- Clean the surfaces to be lapped to remove any dirt or grease.
- Ensure that your workspace is clean and free from clutter.

2. **Application:**

- Apply a small amount of the GK5 Garnet Lapping Compound to the surface.
- Use a lapping tool or appropriate equipment to apply even pressure during the lapping process.
- Work in a circular motion to ensure even coverage and effectiveness.

3. **PostApplication:**

- After achieving the desired smoothness, clean the lapped surfaces with a suitable solvent to remove any residue.
- Dispose of any excess compound and cleaning materials according to local regulations.

Disposal Instructions

- Dispose of the product in accordance with local waste disposal regulations.
- Do not pour the product down drains or into the environment.
- If the container is empty, recycle it where facilities exist.

Contact Information for Further Support

For any safety inquiries or additional support regarding this product, please refer to the contact information provided on the product packaging or visit the official website of the manufacturer.

By following these safety instructions, you can ensure a safe and effective experience with GARNET LAPPING COMPOUNDS BROWNELLS GK5 GARNET LAPPING COMPOUND 600 GRIT. Thank you for your attention to safety.
