12 Gauge DoubleUp Brush & Mop Cleaning System Safety Instruction Guide

Introduction

Thank you for choosing the 12 Gauge DoubleUp Brush & Mop Cleaning System by Brownells. This product is designed to provide effective cleaning for your 12 gauge shotguns. To ensure safe and effective use, please read this safety instruction guide thoroughly before using the product.

General Safety Guidelines

- Ensure the product is used only for its intended purpose, which is cleaning 12 gauge shotguns.
- Always handle firearms safely and responsibly. Follow all local laws and regulations regarding firearm maintenance.
- Keep the cleaning system out of reach of children and vulnerable individuals.
- Regularly inspect the cleaning tools for any signs of wear or damage before use.
- Do not use any cleaning tools if they are damaged or show signs of excessive wear.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Always ensure the firearm is unloaded before cleaning.
- Use the brush and mop in a wellventilated area to avoid inhaling any debris or cleaning residue.
- Avoid using excessive force when inserting or removing the brush and mop from the bore to prevent damage to the firearm.
- Do not mix cleaning chemicals unless specifically directed by the manufacturer. Some chemicals may react adversely with each other.
- Follow all manufacturer instructions for any cleaning agents used in conjunction with this product.
- Wear protective eyewear when cleaning to avoid any debris or cleaning solution from entering the eyes.
- If using a cleaning solvent, ensure it is compatible with the materials of the brush and mop.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded and in a safe condition.
- Gather all necessary tools and cleaning agents before starting.

2. Assembly:

- Attach the bronze or nylon brush to the mop by screwing them together securely.
- Ensure the connection is tight to prevent separation during use.

3. Cleaning Process:

- Insert the attached brush and mop into the bore of the shotgun.
- Pull through the bore with a steady motion, allowing the brush to scrub and the mop to absorb debris.
- Repeat the process as necessary to achieve thorough cleaning.
- After use, detach the brush and mop for cleaning and maintenance.

4. PostCleaning:

- Clean the brush and mop according to the manufacturer's instructions.
- Store the cleaning system in a dry place, away from direct sunlight and moisture.

Disposal Instructions

- Dispose of any worn or damaged cleaning tools responsibly.
- Follow local regulations for disposal of cleaning agents and materials.
- Do not dispose of cleaning agents down the drain unless specified by the manufacturer.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the 12 Gauge DoubleUp Brush & Mop Cleaning System, please refer to the manufacturer's contact information provided on the packaging or product manual.

By following these safety instructions, you can ensure safe and effective use of your 12 Gauge DoubleUp Brush & Mop Cleaning System. Thank you for your attention to safety and for choosing our product.
