[Shooting Accessories](#) > [Slings & Sling Swivels](#) > [Slings](#)

**Premium Leather; Extra Heavy Hooks; Stitched Keepers; U.S.Made; 6" Longer-54" Front Strap Increases Useable Length; Available In Tan Or Black**

If you love fine leather, fine craftsmanship and a superbly functional, useful sling, our new Competitor Plus is going to make you extremely happy! What you get is a no-compromise reproduction of the original 1907 Military Sling; the one that's become the standard among hi-power service rifle shooters and many knowledgeable hunters; the one that's sought after by collectors and restorers of pre-WWII military firearms and the one that's carried more guns, more miles on more shoulders than darn near any other. Ours has all the good stuff: 1) It's all U.S. made of the finest, oak-tanned, top grain, U.S. steer hide. 2) It's fitted with thick, forged, blued steel hooks. 3) Each hook is attached with three rivets. 4) The Keepers are stitched and fit TIGHT! Once we eliminated all the shortcomings of the current crop of '07 copies, we convinced a sling maker that folks who use their guns really do want better not cheaper. Once the maker believed, they gave us suggestions concerning the leather. Ooohh, the leather! It's absolutely wonderful. A full heavy-weight, 9-10 ounce leather, tanned correctly for sling use to give maximum flexibility, stability and toughness without stretching or being oily. The tanning makes the Competitor Plus Sling leather what it is. The process starts with a complete hide that's shaved just enough to make it even thickness throughout. Then it's painstakingly tanned using oak tannage, NOT chromic salts. (Chromic salts cause tarnish and corrosion on any metal the leather touches.) Finally, the smooth, burnished finish which shows off the natural grain of this high-grade leather. All this time and effort means Competitor Plus Slings can bend and twist for a tight grip with no splitting or cracking, even across the holes, with no more than the barest minimum of medium tanning oil being added during the process. Your careful adjustments and precise shooting position won't be fouled up by a rubbery sling. Each extra thick, blued steel hook is locked onto the leather with three hand-hammered, copper rivets. The extra steel keeps the hooks from bending under the extreme pressure created when you lock into position. And, the hooks fit their holes TIGHTLY...no slop to mess up a hard hold and no accidental unhookings. Even the keepers are designed as part of a working sling. Since they absolutely must fit and grab the straps tightly, ours are skived at a taper, overlapped and then glued and stitched with 5-cord waxed linen thread. They'll hold your adjustments! The end result is a sling that gives you so much more: more service for so much longer as a traditional field sling; more authenticity as a replacement for restorations; plus more, higher match scores by eliminating a concentration-breaking source of problems. You can spend your time glassing for game, doping the wind or paying attention to sight picture and trigger squeeze instead of fiddling with the sling. This level of exceptional quality is a little more expensive, but we honestly believe you'll agree it's more than worth it. Add the Competitor Plus Sling to any rifle equipped with Michael's-style swivel studs. Comes complete with two of the correct 1 $\frac{1}{4}$ " Michael's easy-on, easy-off, quick-detachable loops.

## Attributes

- Name: [TAN COMPETITOR PLUS SLING WITH 1-1/4" SUPER SWIVELS](#)
- Manufacturer: [BROWNELLS](#)
- Product no.: 084270112

# Competitor Plus Sling Safety Instructions

## Introduction

Thank you for choosing the Competitor Plus Sling with Swivels. This product is designed for use with firearms and should be handled with care to ensure safety and functionality. This guide provides essential safety instructions and guidelines to help you use your sling effectively and responsibly.

## General Safety Guidelines

- Always treat your firearm as if it is loaded, even if you believe it is not.
- Ensure that the sling is securely attached to the firearm before use.
- Regularly inspect the sling for wear or damage before each use.
- Keep the sling and firearm out of reach of children and unauthorized users.
- Use the sling only for its intended purpose; do not modify or alter it.
- Follow all local laws and regulations regarding firearm use and safety.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper attachment may lead to accidental detachment of the firearm.
  - Wear and tear on the sling can compromise its strength and reliability.
- **Avoiding Hazards:**
  - Always check that the hooks are securely fastened and that the keepers are tight.
  - Do not use the sling if any part of it is damaged or shows signs of excessive wear.
  - Ensure that the sling does not obstruct your movement or aim while shooting.
- **Age Specific Warnings:**
  - This product is not intended for use by children. Always supervise young users when handling firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the Michael's-style swivel studs on your firearm.
- Attach the sling hooks to the swivel studs, ensuring they are fully engaged.
- Adjust the sling length as needed using the keepers, ensuring a secure fit.

### 2. Usage:

- When using the sling, ensure it is adjusted to a comfortable length that allows for proper shooting posture.
- Practice using the sling in a safe environment to become familiar with its operation.
- Regularly check the sling's attachment points and adjust as necessary during use.

## Disposal Instructions

- Dispose of the sling responsibly at the end of its life cycle.
- Consider recycling the leather and metal components where facilities are available.
- Do not dispose of the sling in regular household waste if it is damaged or worn out; contact local waste management for guidance.

## **Contact Information for Further Support**

For any questions or concerns regarding the Competitor Plus Sling, please refer to the manufacturer or retailer where you purchased the product. Ensure you have your purchase details available for reference.

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your Competitor Plus Sling. Always prioritize safety and responsible handling when using firearms and related accessories.
