

SPECIAL LINE!!! BRASS CORE RIFLE BORE BRUSH - SPECIAL LINE BRASS RIFLE BRUSH 35/38/357 CALIBER 12 PACK

[Gun Cleaning & Chemicals](#) > [Brushes & Bore Snakes](#) > [Bore Brushes](#)

If you or your customer has one of those guns that drives tacks or knocks down birds every time, the slight extra cost of our Special Line brushes is well worth it to eliminate any chance of the cleaning brush's shank putting a scratch in that all-important barrel. The Brass shank is one-piece, looped and wound, (not two, twisted together and chopped off). The coupling is no-scratch Brass. The bristles are the best, phosphor, bronze scrubbing wire for long life and thorough cleaning. SPECS: Bristles: Phosphor bronze. Shank: Brass, looped and wound. Overall Length: 3.27" (8.3cm) 20 Caliber Threads: 5-40 Male All other Caliber Threads: 8-32 Male NOTE: 22 Caliber bore brush with 8-36 thread fits military M16 cleaning rods only.

Safety Instruction Guide for SPECIAL LINE BRASS CORE RIFLE BORE BRUSH

Introduction

Thank you for choosing the SPECIAL LINE BRASS CORE RIFLE BORE BRUSH. This product is designed to provide effective cleaning for your rifle while ensuring safety during use. This guide provides essential safety instructions and guidelines to help you use the product safely and effectively.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose: cleaning rifle bores.
- Always handle firearms responsibly and in accordance with local laws and regulations.
- Keep the cleaning brush out of reach of children and other vulnerable individuals.
- Inspect the cleaning brush for any signs of damage before use. Do not use if damaged.
- Do not use the cleaning brush with excessive force, as this may lead to damage to both the brush and the firearm.
- Avoid using the brush in wet or damp conditions to prevent rusting of the brass components.
- Always wear safety goggles to protect your eyes from potential debris or cleaning agents.

Specific Safety Precautions for Use

- When cleaning your rifle, ensure it is unloaded and pointed in a safe direction at all times.
- Use the cleaning brush with a compatible cleaning rod to avoid any potential damage to the barrel.
- Do not use the brush on firearms that have not been properly identified for compatibility.
- Be cautious when using cleaning solvents or oils; ensure they are compatible with your firearm and do not pose a health risk.
- If you experience any discomfort or irritation while using the brush, discontinue use immediately and consult a professional.

Instructions for Installation and Usage

1. Prepare Your Workspace:

- Choose a well-lit and clean area to perform the cleaning.
- Ensure you have all necessary tools and cleaning supplies at hand.

2. Check Your Firearm:

- Confirm that your firearm is unloaded.
- Remove any ammunition from the vicinity.

3. Attach the Cleaning Brush:

- Select the appropriate caliber brush based on your firearm specifications (e.g., 35 Caliber, 38 Caliber).
- Attach the cleaning brush to a compatible cleaning rod securely.

4. Use the Cleaning Brush:

- Insert the brush into the barrel from the chamber end (if applicable).
- Gently push the brush through the barrel and pull it back out. Repeat this process as necessary.
- Avoid excessive force; let the bristles do the cleaning.

5. Clean Up:

- After use, clean the brush with a suitable solvent to maintain its effectiveness.
- Store the brush in a dry place, away from moisture.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the SPECIAL LINE BRASS CORE RIFLE BORE BRUSH, please consult your retailer or manufacturer. It is essential to have access to support for any safetyrelated questions.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your SPECIAL LINE BRASS CORE RIFLE BORE BRUSH. Always prioritize safety and responsibility when handling firearms and cleaning equipment.
