

CHAMBER MOP FOR AR-308 - CHAMBER MOP, COTTON, .308 WIN/AR-308, 3 PACK

[Gun Cleaning & Chemicals](#) > [Patches & Mops](#) > [Bore Mops](#)

Unique, dual-purpose design cleans and lubricates both the chamber and locking lug recesses of your AR-308 with one mop. Long, skinny portion reaches the chamber with individually-tied, cotton strands that do the work of a thousand tiny fingers. Short, large-diameter section cleans and lubricates locking lug recesses. SPECS: Cotton or wool. 8-32 threads. Approximately 3" (7.6mm) long.

CHAMBER MOP FOR AR308 Safety Instruction Guide

Introduction

Thank you for choosing the CHAMBER MOP FOR AR308. This product is designed to help you clean and lubricate the chamber and locking lug recesses of your AR308 efficiently. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the product before each use. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before using the chamber mop.
- Avoid using excessive force while cleaning to prevent damage to the chamber or locking lug recesses.
- Do not use the chamber mop with flammable or corrosive substances.
- Store the chamber mop in a dry place away from direct sunlight to prevent degradation of materials.
- Do not attempt to modify the chamber mop in any way.

Instructions for Installation and Usage

1. Preparation:

- Ensure your AR308 is completely unloaded.
- Gather necessary cleaning supplies, including the chamber mop, cleaning solvent, and lubricant.

2. Using the Chamber Mop:

- Attach the chamber mop to a cleaning rod with an 832 thread.
- Apply a small amount of cleaning solvent to the cotton strands of the mop.
- Insert the long, skinny portion of the mop into the chamber. The individually tied cotton strands will reach into tight spaces effectively.
- Rotate the mop gently while pulling it in and out to clean the chamber thoroughly.
- For the locking lug recesses, use the short, large diameter section of the mop, applying lubricant as needed.
- After use, remove the mop and clean it according to the disposal instructions below.

3. PostUse Care:

- Clean the chamber mop with warm soapy water and allow it to dry completely before storage.
- Store the chamber mop in a safe, dry location.

Disposal Instructions

- Dispose of the chamber mop according to local regulations for textile and cleaning product waste.
- Do not dispose of the mop in regular household waste if it has been contaminated with hazardous materials.

Contact Information for Further Support

For any safety inquiries or further assistance regarding this product, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for prioritizing safety while using the CHAMBER MOP FOR AR308. By following these guidelines, you can help ensure a safe and effective cleaning experience for your firearm.
