

# 1911 BARSTOCK HARDCORE® HAMMER - BLUE BARSTOCK HAMMER

[Handgun Parts](#) > [Trigger Group Parts](#) > [Hammer Parts](#) > [Hammers](#)

## Extra Tough & Long Wearing, With No Exposed Sharp Edges

Machined-from-barstock hammer features a long list of custom modifications for a match-quality trigger pull without a lot of work. Sear hooks are cut to height, then precision surface ground so just a light stoning is all that's necessary to achieve a crisp, clean-breaking trigger pull. Half-cock notch is narrowed to help prevent sear damage and pin holes are CNC-machined for location; lowered strut pin hole reduces full-cock spring pressure. Narrowed spur minimizes slide drag; larger-than-factory, Commander-style opening reduces weight for a fast fall and even faster locktimes. Fully-chamfered edges eliminate sharp points that can abrade clothing and skin.

## Attributes

- Name: [BLUE BARSTOCK HAMMER](#)
- Manufacturer: [ED BROWN](#)
- Product no.: 087000009
- Mfr. No.: 896
- Finish: Blued
- Make: 1911
- Model: Government, Officers, Commander
- Delivery weight: 0.023kg
- Shipping width: 83mm
- Shipping length: 146mm
- UPC: 800732896007

## Item details

Made in USA

US export classification: 0A501.c

# Safety Instruction Guide for 1911 BARSTOCK HARDCORE® HAMMER

## Introduction

Thank you for choosing the 1911 BARSTOCK HARDCORE® HAMMER. This product is designed to enhance your shooting experience with a matchquality trigger pull. However, it is essential to follow safety guidelines to ensure safe usage and to maximize the product's lifespan. This guide provides important safety instructions and information regarding the proper installation and use of the hammer.

## General Safety Guidelines

- Always handle firearms with care and assume they are loaded until verified otherwise.
- Read and understand the owner's manual of your firearm before installing or using the hammer.
- Keep the hammer and all firearm components out of reach of children and unauthorized users.
- Use the hammer only with compatible firearm models: Government, Commander, and Officers.
- Inspect the hammer for any signs of damage or wear before each use.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Report any accidents or unsafe conditions to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before attempting any installation or modification.
- Wear appropriate eye and ear protection when handling firearms.
- Avoid using the hammer in adverse weather conditions that may affect its performance.
- Do not modify the hammer beyond the recommended specifications provided in this guide.
- Be aware of the potential hazards associated with improper installation, which may lead to malfunction or injury.

## Instructions for Installation and Usage

### Installation

#### 1. Preparation:

- Gather necessary tools including a gunsmithing kit.
- Ensure the workspace is clean and free of distractions.

#### 2. Remove the Old Hammer:

- Unload the firearm and remove the magazine.
- Disassemble the firearm according to the manufacturer's instructions.

#### 3. Install the BARSTOCK HARDCORE® HAMMER:

- Align the new hammer with the hammer pin holes.
- Insert the hammer pin and ensure it is securely in place.
- Check that the halfcock notch is properly seated to prevent sear damage.

#### 4. Final Inspection:

- Ensure all components are properly installed and secured.
- Conduct a function test by manually cycling the action to ensure smooth operation.

## Usage

- After installation, perform a dry fire test in a safe environment to confirm the hammer's functionality.
- Ensure that the firearm is cleaned and maintained regularly for optimal performance.
- Regularly check the hammer for wear, especially the sear hooks and contact points.

## Disposal Instructions

- Dispose of the hammer and any associated components in accordance with local regulations.
- Do not discard in regular household waste; contact local authorities for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the installation, usage, or safety of the 1911 BARSTOCK HARDCORE® HAMMER, please refer to the manufacturer's contact information provided in the product documentation or visit the manufacturer's website for more resources.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable shooting experience with your new 1911 BARSTOCK HARDCORE® HAMMER. Thank you for your attention to safety and for choosing our product.
