RECOIL SPRING PLUG FOR 1911 RECOIL SPRING PLUG, SS Safety Instructions

Introduction

Thank you for choosing the RECOIL SPRING PLUG FOR 1911 RECOIL SPRING PLUG, SS. This product is designed for highquality performance in building custom 1911 Auto firearms for target shooting, hunting, and tactical applications. This safety instruction guide is intended to help you use this product safely and effectively while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always handle firearms with care and adhere to all relevant safety regulations.
- Ensure that the recoil spring plug is compatible with your specific model of 1911, particularly the Government Series 70 and Series 80.
- Inspect the recoil spring plug for any signs of damage or wear before installation.
- Store the product in a dry, secure location away from children and unauthorized users.
- Keep this safety instruction guide for future reference.

Specific Safety Precautions for Use

- Only use the recoil spring plug as intended; do not modify or alter the product.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Do not use the recoil spring plug if you are unsure about its condition or compatibility with your firearm.
- Ensure the firearm is unloaded before installing or removing the recoil spring plug.
- Follow all manufacturer instructions for the firearm to ensure proper installation and use of the recoil spring plug.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, such as a wrench or screwdriver if required.

2. Installation:

- Locate the recoil spring housing in your 1911.
- Remove the existing recoil spring plug if applicable, following the manufacturer's instructions.
- Insert the RECOIL SPRING PLUG into the recoil spring housing.
- Ensure it is seated securely and properly aligned.

3. Usage:

- After installation, conduct a function check of the firearm to ensure everything operates correctly.
- If any issues arise, remove the recoil spring plug and inspect it for damage or improper installation.
- Regularly check the recoil spring plug for signs of wear or damage during routine firearm maintenance.

Disposal Instructions

- Dispose of the recoil spring plug in accordance with local regulations.
- If the product is damaged or no longer usable, do not throw it in regular waste. Instead, consider

recycling options or contacting local authorities for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RECOIL SPRING PLUG, please refer to the manufacturer's contact information included in the product packaging. It is important to reach out for assistance if you encounter any issues or have safety inquiries.

By following these safety instructions, you can ensure the safe and effective use of the RECOIL SPRING PLUG FOR 1911 RECOIL SPRING PLUG, SS. Always prioritize safety and responsible handling of firearms.
