

# ARCHED MAINSPRING HOUSING FOR 1911 - ARCHED SERRATED MAINSPRING HOUSING FOR 1911 BLUED

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

ARCHED 1911 MAINSPRING HOUSING Classic and contemporary arched mainspring housings combine form and function, so there is no compromise in grip control even though they look great. Designed to ride high in the heel of the hand, this traditional shape keeps the hand close to the bore, minimizing muzzle rise and enhancing recoil control for precise shooting performance. The grooved surface provides a firm and reliable grip while ensuring minimal drag on clothing, making it ideal for competition, carry, and tactical applications. The arched mainspring housing features drop-in installation for all full-size 1911 pistols, including Para-Ordinance models such as the P-14 and P-16. Crafted with durability and versatility in mind, these housings seamlessly integrate with any steel type or finish, ensuring a high-quality addition to your firearm.

# Safety Instruction Guide for ARCHED MAINSPRING HOUSING FOR 1911

## Introduction

Thank you for choosing the Arched Mainspring Housing for your 1911 firearm. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and usage.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure the firearm is pointed in a safe direction at all times.
- Store firearms and ammunition in a secure manner, out of reach of children and unauthorized users.
- Familiarize yourself with local laws and regulations regarding firearm ownership and usage.
- Inspect the product for any visible damage before installation. If damaged, do not use and contact a qualified gunsmith.
- Follow all manufacturer guidelines and instructions for usage and maintenance.

## Specific Safety Precautions for Use

- Use only with fullsize 1911 pistols.
- Ensure the mainspring housing is correctly installed before use.
- Do not attempt to modify the mainspring housing or any firearm components.
- Regularly check the integrity of the mainspring housing to ensure it is securely attached.
- If you experience any malfunctions or issues during use, cease operation immediately and consult a qualified professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing mainspring housing by following these steps:
  - Disassemble the firearm according to the manufacturer's instructions.
  - Carefully remove the old mainspring housing.
- Install the new arched mainspring housing:
  - Align the new housing with the frame of the firearm.
  - Press it into place until it is securely fitted.
  - Reassemble the firearm according to the manufacturer's instructions.

### 2. Usage:

- After installation, conduct a function check to ensure everything operates correctly.
- Maintain a proper grip on the firearm while shooting to enhance control and accuracy.
- Regularly clean and maintain the mainspring housing to ensure optimal performance.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding firearm components.
- Do not dispose of in regular household waste.
- If unsure, contact local authorities or waste management services for guidance on proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or installation, please consult a qualified gunsmith or contact the manufacturer directly. Always ensure that you are communicating with a professional who is knowledgeable about firearms and their components.

By following these guidelines, you ensure not only your safety but also the safety of those around you. Thank you for your attention to these important safety instructions.
