

1911 RECOIL SPRING PLUGS - COMMANDER RECOIL SPRING PLUG, STAINLESS

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Plugs](#)

Quality "Factory" Replacement

Made to original specifications for rebuilding existing guns or assembling new guns built to factory Government or Commander configurations. Heat-treated, recoil spring plug resists wear and battering. Checkered recoil spring plug gives a traditional look - just like the Colt factory part.

Safety Instruction Guide for 1911 Recoil Spring Plugs Commander Recoil Spring Plug, Stainless

Introduction

Thank you for choosing the 1911 Recoil Spring Plugs Commander Recoil Spring Plug. This guide provides essential safety instructions and precautions to ensure the safe use and maintenance of this product. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that all firearms are handled safely and responsibly.
- Always follow the manufacturer's instructions for the specific firearm model.
- Store the recoil spring plugs in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the recoil spring plugs for signs of wear or damage before use.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- **Hazard Identification:** Improper use or installation of the recoil spring plugs may lead to firearm malfunction or injury.
- **Avoiding Hazards:**
 - Always ensure the firearm is unloaded before installing or replacing the recoil spring plug.
 - Do not attempt to install the recoil spring plug if you are unsure of the process. Seek professional assistance if needed.
 - Use only compatible recoil spring plugs for your specific firearm model.
 - Wear safety glasses during installation to protect your eyes from potential debris.

Instructions for Installation and Usage

1. Preparation:

- Ensure that the firearm is completely unloaded.
- Gather the necessary tools for installation, such as a gunsmithing screwdriver.

2. Installation Steps:

- Remove the old recoil spring plug by following the manufacturer's instructions.
- Inspect the new recoil spring plug for any defects.
- Insert the new recoil spring plug into the designated area of the firearm.
- Ensure it is securely in place and functions correctly.

3. Usage:

- After installation, perform a function check to ensure the firearm operates as intended.
- Regularly maintain and clean the recoil spring plug as part of your firearm care routine.

Disposal Instructions

- Dispose of any damaged or worn recoil spring plugs in accordance with local regulations.
- Do not discard in regular household waste. Check for local recycling or hazardous waste disposal options.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Recoil Spring Plugs, please refer to the manufacturer's website or customer service for assistance.

By following these guidelines, you can ensure the safe and effective use of the 1911 Recoil Spring Plugs Commander Recoil Spring Plug. Thank you for prioritizing safety and compliance with EU General Product Safety Regulations.
