# 1911 Firing Pin Stop Safety Instruction Guide

## Introduction

Thank you for choosing the 1911 Firing Pin Stop. This product is designed for use in 1911 Auto firearms, specifically for Government, Commander, and Officers models. This guide provides essential safety instructions to ensure proper use, installation, and disposal of the product in compliance with EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure you are familiar with the safe handling and operation of firearms before using this product.
- Always treat every firearm as if it is loaded.
- Keep firearms and components out of reach of children and unauthorized users.
- Regularly inspect your firearm and its components for wear or damage.
- Report any unsafe products or incidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Use only with compatible 1911 Auto models: Government, Commander, and Officers.
- Ensure the firearm is unloaded before installing or handling the firing pin stop.
- Wear protective eyewear when working on firearms to protect against potential debris.
- Do not modify the firing pin stop, as alterations can affect safety and performance.
- If you experience any issues during installation or use, cease operation immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools: a punch, hammer, and any other tools specified by your firearm's manual.

### 2. Installation Steps:

- Remove the slide from the frame of the firearm according to your firearm's manual.
- Locate the firing pin stop in the slide assembly.
- Using a punch, gently tap out the existing firing pin stop.
- Align the new 1911 Firing Pin Stop with the slide and insert it into place.
- Ensure it is seated correctly and does not wobble.
- Reassemble the slide onto the frame.

### 3. PostInstallation Check:

- After installation, check the fit of the firing pin stop to ensure it holds the extractor in the correct position.
- Perform a function check of the firearm to ensure proper operation before use.

### 4. Usage:

- Use the firearm in accordance with the manufacturer's instructions.
- Regularly check the firing pin stop for signs of wear or damage during routine maintenance.

## Disposal Instructions

- Dispose of the 1911 Firing Pin Stop in accordance with local regulations regarding metal waste.
- Do not throw the product in regular household waste; instead, take it to a designated recycling or hazardous materials facility if applicable.

## Contact Information for Further Support

For any inquiries regarding safety, installation, or product performance, please contact your local authorized dealer or manufacturer. Ensure you have the product details, including make and model, ready for reference.

By following these guidelines, you can ensure the safe and effective use of your 1911 Firing Pin Stop. Always prioritize safety and consult professionals when in doubt. Thank you for your attention to these important safety measures.
