

1911 ADJUSTABLE REAR SIGHT - ED BROWN ADJUSTABLE REAR SIGHT

[Handgun Parts](#) > [Sights](#) > [Rear Sights](#)

Low Profile For Concealed Carry; Outstanding Sight Picture

Low-profile rear sight replicates the dimensions and function of the proven Bo-Mar adjustable sight. Rugged design withstands the shock of full-power service ammunition—perfect for combat applications—yet provides fine adjustability to meet the needs of the target shooter. Minimal-height sight body hugs the top of the slide for faster sighting and increased accuracy. Precise click detents provide full adjustment for both windage and elevation. Combat-style blade, with fine-line serrations on the rear face, angles backward from the top to help deflect the light for a clear, easy-to-acquire sight picture in all light conditions. Deep, square-cut notch further enhances sight picture; dog-ear cuts on top corners help reduce snagging during draw. Installation requires machining, drilling and tapping of slide.

Attributes

- Name: [ED BROWN ADJUSTABLE REAR SIGHT](#)
- Manufacturer: [ED BROWN](#)
- Product no.: 087000050
- Mfr. No.: 954

Safety Instruction Guide for 1911 Adjustable Rear Sight by Ed Brown

Introduction

Thank you for choosing the 1911 Adjustable Rear Sight by Ed Brown. This guide provides essential safety instructions to ensure the safe and effective use of your new sight. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that all safety precautions are followed to prevent accidents and injuries.
- Always handle firearms and related accessories with care.
- Keep the sight and all firearms out of reach of children and unauthorized users.
- Regularly inspect the sight for any signs of wear or damage.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Only use this sight with compatible 1911 models: Government, Commander, and Officers.
- Ensure that the firearm is unloaded before installing the sight.
- Use proper tools and techniques during installation to avoid damaging the sight or firearm.
- Always wear eye protection when handling firearms or performing any installation work.
- Do not attempt to modify the sight or firearm in ways not recommended by the manufacturer.
- Be aware of your surroundings and ensure a safe shooting environment when using the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Use appropriate tools for machining, drilling, and tapping the slide.
- Follow the specific dimensions provided:
 - Sight body - 1.435" (3.6cm)
 - Blade .765" (19mm) x .425" (11mm) with .115" (plain) or .130" (night sight) wide notch.
- Install the sight in the 60° x .359" x .100" rear sight dovetail.
- Ensure the sight is securely fastened and aligned correctly before use.

2. Usage:

- Familiarize yourself with the sight's features, including windage and elevation adjustments.
- Use the precise click detents for adjustments to ensure accuracy.
- Practice shooting with the sight in different lighting conditions to understand its performance.

Disposal Instructions

- Dispose of any damaged or nonfunctional sights in accordance with local regulations.
- Do not dispose of the sight in regular household waste. Check for local recycling programs or hazardous waste disposal options.

Contact Information for Further Support

For any safety inquiries or further assistance, please reach out to the designated EU contact point for this product.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the 1911 Adjustable Rear Sight by Ed Brown.
