# Safety Instruction Guide for 1911 Forged Slide Stop

## Introduction

Thank you for choosing the 1911 Forged Slide Stop by ED BROWN. This product is designed for use with 1911 Auto, .45 ACP firearms. To ensure your safety and the proper functioning of the product, please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure safe handling of all firearms at all times.
- Always treat every firearm as if it is loaded.
- Ensure that the product is compatible with your specific firearm model (Government, Commander, Officers).
- Inspect the product for any damage or defects before installation.
- Store the product in a secure location, out of reach of children and unauthorized users.
- Follow all local laws and regulations regarding firearm modifications and accessories.

## Specific Safety Precautions for Use

- Do not attempt to install or use the slide stop without proper knowledge of firearms.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Ensure that the firearm is unloaded before installing or replacing the slide stop.
- Avoid using excessive force during installation to prevent damage to the product or firearm.
- Regularly check the slide stop for wear or damage, especially after extensive use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that the firearm is unloaded.
- Gather necessary tools, including a punch and hammer.

### 2. Installation Steps:

- Remove the existing slide stop from the firearm by driving out the retaining pin.
- Carefully insert the new slide stop into the designated slot.
- Align the pin hole of the slide stop with the frame of the firearm.
- Use the punch to gently tap the retaining pin back into place, ensuring a secure fit.

### 3. PostInstallation Check:

- After installation, check that the slide stop functions correctly by cycling the action of the firearm without ammunition.
- Ensure that the slide stop engages properly and holds the slide open on the last round.

### 4. Usage Instructions:

- During use, ensure that you are familiar with the operation of your firearm and how the slide stop interacts with it.
- If you experience any malfunctions, cease use immediately and inspect the product and firearm for issues.

## Disposal Instructions

- Dispose of the product in accordance with local regulations for metal and firearm accessories.
- Do not dispose of the product in regular household waste. Check for recycling options in your area.

## Contact Information for Further Support

For any inquiries or concerns regarding the 1911 Forged Slide Stop, please reach out to your local dealer or visit the manufacturer's website for more information. Ensure that you have the product details and your purchase information ready for assistance.

## Conclusion

Following these safety instructions will help ensure the safe and effective use of your 1911 Forged Slide Stop. Always prioritize safety when handling firearms and their accessories. Thank you for your attention to these guidelines.
