Safety Instruction Guide for RECOIL SPRING PLUG FOR 1911 GUIDE PLUG ONLY

Introduction

Thank you for choosing the RECOIL SPRING PLUG FOR 1911 GUIDE PLUG ONLY. This highquality component is designed for building a custom 1911 Auto suitable for target shooting, hunting, and tactical applications. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that all parts are installed correctly and securely to prevent malfunctions.
- Always handle firearms with care and follow standard safety protocols.
- Keep this product and all firearms out of reach of children and unauthorized users.
- Regularly inspect the recoil spring plug for signs of wear or damage.
- Report any unsafe conditions or incidents to the appropriate authorities.
- Stay informed about product recalls and safety alerts via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Only use this recoil spring plug with compatible models, specifically the Government Series 70 and Series 80.
- Do not modify the recoil spring plug or any associated components.
- Wear appropriate protective gear, such as safety glasses and hearing protection, when operating firearms.
- Ensure the firearm is unloaded and pointed in a safe direction before installation or maintenance.
- If you experience any unusual behavior or performance issues with your firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools for installation, such as a punch tool and a hammer.

2. Installation Steps:

- Remove the existing guide plug from the firearm by using a punch tool to push out the retaining pin.
- Carefully remove the old recoil spring plug, taking note of its orientation.
- Insert the new RECOIL SPRING PLUG into the guide plug housing, ensuring it is seated properly.
- Replace the retaining pin, ensuring it is securely in place.
- Conduct a function check to ensure that the recoil spring plug operates correctly.

3. Usage:

- After installation, store the firearm in a safe manner when not in use.
- Regularly clean and maintain the firearm, including the recoil spring plug, to ensure optimal performance.

Disposal Instructions

- Dispose of any old or damaged recoil spring plugs in accordance with local regulations for metal waste.
- Do not dispose of the product in household waste. Check with local waste management services for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the RECOIL SPRING PLUG FOR 1911 GUIDE PLUG ONLY, please consult with a qualified firearms dealer or a licensed gunsmith.

Thank you for prioritizing safety and compliance with these guidelines. Your attention to detail ensures a safer experience for yourself and others.
