1911 Rebuild Kit Safety Instruction Guide

Introduction

Thank you for choosing the 1911 Rebuild Kit by ED Brown. This kit contains all the essential components needed to complete or rebuild a 1911 Auto or Officers ACP. It is designed to fit both standard and highcapacity frames. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use when handled and installed correctly. Always follow the safety instructions provided.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be issued. Please stay informed about any recalls related to this product.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For any safety inquiries, you can contact the designated EU safety contact point.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

Specific Safety Precautions for Use

- **Read All Instructions:** Before using the rebuild kit, read all instructions and safety information thoroughly.
- **Use Proper Tools:** Ensure that you have the correct tools for installation to avoid injury or damage to the components.
- **Wear Safety Gear:** It is recommended to wear safety goggles and gloves when handling the components to protect against sharp edges and potential hazards.
- **Check for Damage:** Before installation, inspect all components for any signs of damage or wear. Do not use damaged parts.
- **Avoid Improper Use:** This kit should only be used for its intended purpose. Misuse can lead to accidents and injuries.
- **Supervision Required:** If you are inexperienced in firearm assembly, seek assistance from a qualified gunsmith or knowledgeable individual.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have a clean and welllit workspace.
- Gather all necessary tools, including screwdrivers, pliers, and any specialized tools required for the assembly.

2. Component Check:

- Verify that all components listed in the kit are present:
 - Mainspring cap
 - Mainspring housing pin retainer
 - Hammer strut pin
 - Hammer pin
 - Sear pin
 - Mainspring cap pin

- Magazine catch lock
- Safety lock plunger assembly
- Barrel link pin
- Ejector pin
- Mainspring housing pin
- Mainspring
- Magazine catch spring

3. **Assembly Instructions:**

- Follow the manufacturer's guidelines for assembling the components. If you are unsure, consult a professional.
- Install the mainspring cap, ensuring it is secured properly.
- Insert the mainspring housing pin retainer and ensure it is flush with the housing.
- Assemble the hammer strut pin, hammer pin, and sear pin in the correct order as per the 1911 assembly instructions.
- Ensure that the magazine catch lock is installed securely.
- Install the safety lock plunger assembly, ensuring it operates smoothly.
- Attach the barrel link pin and ejector pin according to the specifications.
- Finally, install the mainspring housing pin, mainspring, and magazine catch spring.

4. **Final Checks:**

- Once assembled, perform a function check to ensure that all components are working properly.
- Test the firearm in a safe environment before regular use to ensure proper functionality.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of components in regular household waste if they are considered hazardous.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Rebuild Kit, please refer to the manufacturer's website or customer service for assistance.

By following these safety instructions, you can ensure a safe and successful assembly or rebuild of your 1911 Auto or Officers ACP using the ED Brown Rebuild Kit. Always prioritize safety and seek professional assistance if needed. Thank you for choosing our product.
