

# 1911 RECOIL SPRING PLUGS - ED BROWN GOVERNMENT RECOIL SPRING PLUG, BLUE

[Handgun Parts](#) > [Recoil Parts](#) > [Recoil Spring Plugs](#)

## Quality "Factory" Replacement

Made to original specifications for rebuilding existing guns or assembling new guns built to factory Government or Commander configurations. Heat-treated, recoil spring plug resists wear and battering. Checkered recoil spring plug gives a traditional look - just like the Colt factory part.

# Safety Instruction Guide for 1911 Recoil Spring Plugs ED Brown Government Recoil Spring Plug, Blue

## Introduction

Thank you for choosing the 1911 Recoil Spring Plugs by ED Brown. This product is designed to meet original specifications for rebuilding existing guns or assembling new guns built to factory Government or Commander configurations. To ensure your safety and the safe use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before performing any maintenance or installation work.
- Keep the recoil spring plug and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the recoil spring plug for wear or damage before each use.
- Use only compatible parts and follow manufacturer specifications to avoid potential hazards.
- If you encounter any issues or concerns regarding the product, do not use it and seek professional assistance.

## Specific Safety Precautions for Use

- Ensure that you are using the correct recoil spring plug for your specific firearm model (Government or Commander).
- Be cautious when handling the recoil spring plug, as it may have sharp edges.
- Wear safety goggles to protect your eyes during installation and maintenance.
- Avoid using excessive force while installing or removing the recoil spring plug to prevent damage to the component or firearm.
- If you are not familiar with firearm assembly or disassembly, seek assistance from a qualified gunsmith.

## Instructions for Installation and Usage

### • Tools Required:

- Appropriate tools for firearm disassembly (e.g., screwdriver, punch).
- Safety goggles.

### • Installation Steps:

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Disassemble the firearm according to the manufacturer's instructions.
3. Remove the old recoil spring plug if applicable.
4. Inspect the area for any debris or damage.
5. Insert the new recoil spring plug into the designated area.
6. Reassemble the firearm following the manufacturer's guidelines.
7. Conduct a function check to ensure proper installation and operation.

### • Usage Instructions:

- Regularly check the recoil spring plug for any signs of wear or damage during routine firearm maintenance.
- Store the firearm in a secure location when not in use.

## **Disposal Instructions**

- Dispose of the recoil spring plug in accordance with local regulations regarding metal waste.
- Do not dispose of the recoil spring plug in regular household waste.
- If the product is damaged or no longer functional, consider recycling options available in your area.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the safety or functionality of the 1911 Recoil Spring Plugs, please consult your local firearms expert or authorized dealer.

By following these safety instructions, you can help ensure a safe and effective experience with your 1911 Recoil Spring Plugs. Thank you for your attention to safety.
