

# GRIP FRAME INSERT FOR GLOCK® - GLOCK PLUS ZERO GRIP FRAME INSERT

[Handgun Parts](#) > [Grip Parts](#) > [Grip Plugs](#)

## Fills The Opening In Glock Frame For Smoother Reloading

Plastic plug installs in the bottom rear cavity of the frame to fill the opening found in Glock® pistols. Front "lip" forms a tight, flush bond with the mag well to help make sure the mag goes where it should, smoothly. Keeps dirt and debris from finding its way inside the pistol and gives a clean, smooth look. Uses the lanyard hole for retention to snap firmly into place. Glock® Plus Zero fits Models 17 through 25, 31, 32, 34, 35, 37, and 38. Gen 4 Grip Frame Inserts allow for use of the factory interchangeable backstraps. Gen 4 Full & Mid model fits Generation 4 Glock® models 17/18/19/22/23/24/25/31/32/34/35/37/38. Gen 4 Subcompact model fits Generation 4 Glock® models 26/27/33/39. Other inserts fit the Glock® models indicated in the price lines below. Does not add extra rounds.

## Attributes

- Name: [GLOCK PLUS ZERO GRIP FRAME INSERT](#)
- Manufacturer: [PEARCE GRIP](#)

# GRIP FRAME INSERT FOR GLOCK® Safety Instruction Guide

## Introduction

Thank you for choosing the GRIP FRAME INSERT FOR GLOCK® GLOCK PLUS ZERO GRIP FRAME INSERT. This product is designed to enhance your Glock® pistol's functionality by filling the bottom rear cavity of the frame. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- Always handle your firearm safely and responsibly.
- Ensure that the firearm is unloaded before installing the grip frame insert.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the grip frame insert for any signs of wear or damage.
- Do not modify the grip frame insert or use it in a manner not intended by the manufacturer.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only with compatible Glock® models (17, 18, 19, 22, 23, 24, 25, 31, 32, 34, 35, 37, 38 for Gen 4; 26, 27, 33, 39 for Gen 4 Subcompact).
- Ensure a proper fit to avoid any operational issues with the firearm.
- Avoid using the grip frame insert in extreme temperatures or conditions that may affect its integrity.
- Do not use if the product is cracked, damaged, or shows signs of excessive wear.
- Ensure that the lanyard hole is properly utilized for retention to prevent loss during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools if required for installation.

### 2. Installation:

- Locate the bottom rear cavity of your Glock® frame.
- Align the grip frame insert with the cavity, ensuring the front lip is positioned to create a flush bond with the mag well.
- Firmly press the grip frame insert into place until it snaps securely.
- Verify that the insert is seated properly and does not move.

### 3. Usage:

- Once installed, regularly check the grip frame insert for a secure fit.
- Maintain cleanliness around the grip area to prevent dirt and debris from accumulating.

## Disposal Instructions

- Dispose of the grip frame insert in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- If the product is damaged or no longer in use, consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the GRIP FRAME INSERT FOR GLOCK®, please consult your retailer or manufacturer's website for contact details.

Thank you for following these safety guidelines. Your safety and the proper functioning of your firearm are our top priorities.
