

GRIP FRAME INSERT FOR GLOCK® - PEARCE GRIP SUBCOMPACT GRIP FRAME INSERT, MODEL 26/27/33/39

[Handgun Parts](#) > [Grip Parts](#) > [Grip Plugs](#)

Fills The Opening In Glock Frame For Smoother Reloading

Plastic plug installs in the bottom rear cavity of the frame to fill the opening found in Glock® pistols. Front “lip” forms a tight, flush bond with the mag well to help make sure the mag goes where it should, smoothly. Keeps dirt and debris from finding its way inside the pistol and gives a clean, smooth look. Uses the lanyard hole for retention to snap firmly into place. Glock® Plus Zero fits Models 17 through 25, 31, 32, 34, 35, 37, and 38. Gen 4 Grip Frame Inserts allow for use of the factory interchangeable backstraps. Gen 4 Full & Mid model fits Generation 4 Glock® models 17/18/19/22/23/24/25/31/32/34/35/37/38. Gen 4 Subcompact model fits Generation 4 Glock® models 26/27/33/39. Other inserts fit the Glock® models indicated in the price lines below. Does not add extra rounds.

Safety Instruction Guide for GRIP FRAME INSERT FOR GLOCK® PEARCE GRIP SUBCOMPACT GRIP FRAME INSERT, MODEL 26/27/33/39

Introduction

Thank you for choosing the GRIP FRAME INSERT FOR GLOCK® PEARCE GRIP SUBCOMPACT GRIP FRAME INSERT. This product is designed to enhance the functionality of your Glock® pistol while providing safety and protection. It is essential to read and understand this safety instruction guide to ensure proper use and to minimize any potential hazards.

General Safety Guidelines

- Ensure you are familiar with your Glock® pistol and its operation before installing the grip frame insert.
- Always handle your firearm with care and follow standard firearm safety practices.
- Store the grip frame insert in a safe location, away from children and unauthorized users.
- Regularly inspect the grip frame insert for any signs of wear or damage.
- Report any unsafe conditions or accidents to the relevant authorities.

Specific Safety Precautions for Use

- The grip frame insert is designed for use with specific Glock® models: 26, 27, 33, and 39. Ensure compatibility before use.
- Do not attempt to modify the grip frame insert, as this may compromise its integrity and safety.
- Avoid exposing the grip frame insert to extreme temperatures, chemicals, or moisture, as this may affect its performance.
- Always ensure the firearm is unloaded before installation or removal of the grip frame insert.
- Be cautious when using the lanyard hole for retention; ensure it is secure to prevent accidental dislodging.

Instructions for Installation and Usage

1. Preparation:

- Ensure your Glock® pistol is unloaded and safe to handle.
- Gather any necessary tools (if applicable) for installation.

2. Installation:

- Locate the bottom rear cavity of the frame on your Glock® pistol.
- Align the grip frame insert with the cavity and gently press it into place until it forms a tight, flush bond with the mag well.
- Ensure the front “lip” of the insert is securely fitted against the mag well.

3. Usage:

- Once installed, the grip frame insert will help keep dirt and debris from entering the pistol.
- Regularly check the insert to ensure it remains securely in place and does not interfere with the operation of the firearm.

4. Removal:

- To remove the grip frame insert, gently pull it out from the bottom rear cavity of the frame.
- Inspect the insert for any damage before reinstallation.

Disposal Instructions

- Dispose of the grip frame insert in accordance with local regulations regarding plastic waste.
- Do not incinerate the product as it may release harmful substances.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product compatibility, please reach out to the manufacturer or your local dealer for assistance. Make sure to have your product details ready for reference.

By following these guidelines, you can ensure safe and effective use of the GRIP FRAME INSERT FOR GLOCK® PEARCE GRIP SUBCOMPACT GRIP FRAME INSERT. Thank you for your attention to safety and responsible firearm ownership.
