

# **GRIP FRAME INSERT FOR GLOCK® - PEARCE GRIP GLOCK GEN 4/5 GRIP FROM INSERT, MODEL 26/27/33**

[Handgun Parts](#) > [Grip Parts](#) > [Grip Plugs](#)

## **Fills The Opening In Glock Frame For Smoother Reloading**

Plastic plug installs in the bottom rear cavity of the frame to fill the opening found in Glock® pistols. Front "lip" forms a tight, flush bond with the mag well to help make sure the mag goes where it should, smoothly. Keeps dirt and debris from finding its way inside the pistol and gives a clean, smooth look. Uses the lanyard hole for retention to snap firmly into place. Glock® Plus Zero fits Models 17 through 25, 31, 32, 34, 35, 37, and 38. Gen 4 Grip Frame Inserts allow for use of the factory interchangeable backstraps. Gen 4 Full & Mid model fits Generation 4 Glock® models 17/18/19/22/23/24/25/31/32/34/35/37/38. Gen 4 Subcompact model fits Generation 4 Glock® models 26/27/33/39. Other inserts fit the Glock® models indicated in the price lines below. Does not add extra rounds.

# Safety Instruction Guide for GRIP FRAME INSERT FOR GLOCK® PEARCE GRIP GLOCK GEN 4/5

## Introduction

Thank you for choosing the GRIP FRAME INSERT FOR GLOCK® PEARCE GRIP. This product is designed to enhance the functionality and appearance of your Glock® pistol. It is essential to read and understand this safety instruction guide to ensure proper use and to maintain safety while handling your firearm.

## General Safety Guidelines

- Ensure that the product is compatible with your specific Glock® model before installation.
- Always handle your firearm in a safe manner. Treat every gun as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and its accessories in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear. Do not use if damaged.
- Report any unsafe product incidents to the appropriate authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- This product is designed for use with Glock® models 26, 27, and 33. Ensure compatibility before installation.
- Do not exceed the manufacturer's recommendations regarding the use of the product.
- Avoid using the firearm in wet or muddy conditions to prevent dirt and debris from entering the mechanism.
- Ensure that the lanyard hole is used correctly for retention to avoid accidental dislodging of the insert.
- Do not attempt to modify or disassemble the product.
- Keep fingers and other objects clear of the magazine well during installation and use.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Locate the bottom rear cavity of the Glock® frame.
- Align the GRIP FRAME INSERT with the cavity.
- Press the insert firmly into place until the front “lip” forms a tight, flush bond with the mag well.
- Check that the insert is securely in place by gently tugging on it.

### 2. Usage:

- Once installed, the insert will help keep dirt and debris out of the pistol while providing a clean appearance.
- Use the lanyard hole for retention to ensure the insert remains securely in place during use.
- Regularly inspect the insert for any signs of wear or damage.

## Disposal Instructions

- Dispose of the product responsibly.
- Follow local regulations for the disposal of plastic materials.
- Do not dispose of the product in household waste. Instead, consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the GRIP FRAME INSERT FOR GLOCK® PEARCE GRIP, please refer to the manufacturer's contact information, which can be found on the product packaging or the manufacturer's website.

By following these safety instructions, you can ensure a safe and effective experience with your GRIP FRAME INSERT FOR GLOCK® PEARCE GRIP. Thank you for your attention to these important safety guidelines.
