

# M14/M1A BOLT ROLLER GREASER - BADGER ORDNANCE BOLT ROLLER GREASER

[Gunsmith Tools](#) > [Rifle Tools](#) > [Bolt Tools](#) > [Bolt Roller Greasers](#)

## Lubricates For Optimal Performance

CNC machined tool forces grease in and around the hard to reach areas of the bolt roller to insure optimal performance and dependability. Easy to use, simply fill the cupped end with rifle grease and push onto the roller for complete lubrication. Durable polymer construction resists most solvents.

## Attributes

- Name: [BADGER ORDNANCE BOLT ROLLER GREASER](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 093000009
- Mfr. No.: 223-03
- Model: M1,M14,M1A
- Weapon type: Springfield
- Delivery weight: 0.005kg
- Shipping height: 3mm
- Shipping width: 79mm
- Shipping length: 147mm

# M14/M1A Bolt Roller Greaser Safety Instruction Guide

## Introduction

Thank you for choosing the M14/M1A Bolt Roller Greaser by Badger Ordnance. This tool is designed to help ensure optimal performance and dependability of your firearm's bolt roller by facilitating proper lubrication. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always follow the manufacturer's instructions when using this product.
- Ensure that the firearm is unloaded and in a safe condition before applying grease.
- Keep the product out of reach of children and vulnerable individuals.
- Avoid using the greaser with any incompatible substances or solvents.
- Regularly check for any signs of wear or damage to the greaser before use.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Use only rifle grease that is compatible with polymer materials.
- Do not exceed the recommended amount of grease in the cupped end of the tool to avoid overflow.
- Avoid using the greaser in extreme temperatures or environments that may affect its performance.
- If you experience any irritation or adverse reactions while using the product, discontinue use immediately and seek medical advice.
- Store the greaser in a cool, dry place away from direct sunlight and extreme temperatures.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that your firearm is unloaded and in a safe condition.
- Gather the necessary rifle grease that is suitable for use with polymer materials.

### 2. Filling the Greaser

- Remove the cap from the cupped end of the bolt roller greaser.
- Fill the cupped end with the appropriate rifle grease, ensuring not to overfill.

### 3. Applying the Grease

- Align the greaser with the bolt roller.
- Push the cupped end of the greaser onto the roller firmly to allow the grease to flow into the hard-to-reach areas.
- Ensure that the roller is adequately lubricated without excess grease spilling out.

### 4. After Use

- Clean the greaser with a suitable solvent if necessary, ensuring it is free from any residue.
- Replace the cap securely on the cupped end to prevent contamination.

## **Disposal Instructions**

- Dispose of any used grease in accordance with local regulations.
- If the greaser is damaged beyond repair, dispose of it as per local waste management guidelines for plastic materials.
- Do not dispose of the greaser in regular household waste unless it complies with local disposal regulations.

## **Contact Information for Further Support**

For any inquiries regarding the M14/M1A Bolt Roller Greaser, please refer to the manufacturer's contact details provided with your product packaging.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities. Enjoy using your M14/M1A Bolt Roller Greaser responsibly!
