

# REMINGTON 700 SHORT ACTION SCOPE RAILS - BADGER ORDNANCE REMINGTON 700 SHORT ACTION 20 MOA RIGHT HAND RAIL (8-40)

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

## Forward Cant Helps You Zero Your Scope for Extended Ranges

Badger Ordnance's Remington Short Action Scope Rail is a heavy-duty steel base with built-in forward angle bias so you can take those ultra-long-range shots without exceeding the elevation adjustment of your scope. The Badger Ordnance Remington Short Action Scope Rail has a MIL-STD 1913 Picatinny slot pattern for maximum compatibility with the many Picatinny tactical scope rings currently available. Bore height dimension is .31" The Badger Ordnance Remington Short Action Scope Rail has an integral recoil lug that ensures this base won't move, even when shooting the hardest-kicking cartridges.

Heavy steel base with 20 M.O.A. forward angle increases maximum scope elevation for long range shooting. Machined after hardening to maintain dimensions. Integral recoil lug withstands the hardest kicking calibers. Uses MIL-STD 1913 Picatinny slot pattern for maximum sight mounting possibilities. Remington Zero Cant does not have 20 M.O.A. forward angle. For use where extra elevation is not required. Fits 700 short action only.

## Attributes

- Name: [BADGER ORDNANCE REMINGTON 700 SHORT ACTION 20 MOA RIGHT HAND RAIL \(8-40\)](#)
- Manufacturer: [BADGER ORDNANCE](#)
- Product no.: 093000070
- Mfr. No.: 306-06-8
- Action Type: Short
- Colour: Matte Black

# Safety Instruction Guide for Badger Ordnance Remington 700 Short Action Scope Rails

## Introduction

Thank you for choosing the Badger Ordnance Remington 700 Short Action Scope Rails. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used in accordance with all local laws and regulations.
- Always handle firearms with care and treat every firearm as if it is loaded.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope rail for any signs of wear or damage before each use.
- Report any unsafe product incidents to local authorities immediately.

## Specific Safety Precautions for Use

- Do not exceed the recommended bore height of .31 inches when mounting your scope.
- Ensure that the recoil lug is properly engaged to prevent movement during firing.
- Use only compatible Picatinny tactical scope rings to avoid instability.
- Avoid using the product with firearms that are not designed for the Remington 700 Short Action.
- Always wear appropriate eye and ear protection while shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing scope base if applicable.
- Align the Badger Ordnance Scope Rail with the mounting holes on the receiver.
- Secure the rail using the provided screws (840) and torque to the manufacturer's specifications.
- Verify that the rail is firmly attached and does not move.

### 2. Usage:

- Mount your scope according to the manufacturer's instructions.
- Adjust the scope for elevation and windage as needed for your shooting conditions.
- Always check that the scope is securely mounted before each shooting session.
- Regularly check the scope rail and scope for any signs of loosening or misalignment.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is damaged beyond repair, recycle the steel material if possible.
- Ensure that any packaging materials are disposed of responsibly.

## Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the manufacturer's contact information provided on the packaging or the official website.

Thank you for your attention to these safety instructions. Your safety is our priority, and we hope you enjoy using your Badger Ordnance Remington 700 Short Action Scope Rails responsibly.
