

# REMINGTON 700 LONG ACTION SCOPE RAILS - BADGER ORDNANCE

## REMINGTON 700 LONG ACTION 20 MOA RIGHT HAND ALUMINUM

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

### Built-In Angle Supplements Your Scope's Elevation Adjustment

Badger Ordnance's Remington Long Action Scope Rail is a heavy-duty steel base with built-in forward angle bias so you can take those ultra-long-range shots without exceeding the elevation adjustment of your scope. The Badger Ordnance Remington Long Action Scope Rail has a MIL-STD 1913 Picatinny slot pattern for maximum compatibility with the many Picatinny tactical scope rings currently available. Bore height dimension is .31" The Badger Ordnance Remington Long Action Scope Rail has an integral recoil lug that ensures this base won't move, even when shooting the hardest-kicking cartridges.

# Safety Instruction Guide for REMINGTON 700 LONG ACTION SCOPE RAILS

## Introduction

Thank you for choosing the Badger Ordnance Remington 700 Long Action Scope Rails. This guide provides essential safety instructions to ensure the safe and effective use of your scope rail. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the scope rail is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope rail for signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Do not exceed the elevation adjustment of your scope when using the rail.
- Ensure that the recoil lug is properly seated to prevent movement during use.
- Use only compatible Picatinny tactical scope rings to maintain stability.
- Avoid using the product with firearms that are not designed for long action scopes.
- Always wear appropriate eye and ear protection when shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing scope mounts or rails from your firearm.
- Align the Badger Ordnance Remington Long Action Scope Rail with the mounting holes on your firearm.
- Secure the rail using the appropriate screws and tools as per the manufacturer's specifications.
- Tighten screws to the recommended torque settings to ensure stability.

### 2. Usage:

- After installation, mount your scope onto the rail using compatible Picatinny rings.
- Adjust your scope according to the manufacturer's instructions.
- Conduct a function check to ensure everything is securely mounted before using the firearm.
- Always verify the zero of your scope after installation.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- Consider recycling options for aluminum and other materials when applicable.

## **Contact Information for Further Support**

For assistance or inquiries regarding the Badger Ordnance Remington 700 Long Action Scope Rails, please contact your local retailer or the manufacturer directly. Ensure you have your product details ready for a more efficient response.

By following these guidelines, you can ensure a safe and enjoyable experience with your Badger Ordnance Remington 700 Long Action Scope Rails. Thank you for your attention to safety.
