Safety Instruction Guide for ANGLE COSINE INDICATOR MOUNT GEN II

Introduction

Thank you for choosing the ANGLE COSINE INDICATOR MOUNT GEN II by Badger Ordnance. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of the product. Please read this manual carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product for any signs of damage before installation and use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not exceed the weight limit specified for the mount.
- Ensure that the mount is securely attached to prevent accidental detachment during use.
- Avoid using the product in extreme weather conditions that could compromise safety.
- Regularly check the tightness of the screws to ensure stability.
- Use caution when handling tools during installation to prevent injury.

Instructions for Installation and Usage

1. Preparation

- Gather all necessary tools, including a suitable screwdriver for the set screws.
- Ensure that the installation area is clean and free of debris.

2. Installation Steps

- Position the ANGLE COSINE INDICATOR MOUNT on your MIL STD 1913 mount.
- Align the mount so that it is level and in a position that allows for easy access to the Angle CoSine Indicator (ACI).
- Using the provided soft point set screws, attach the mount securely to the rail.
- Tighten the screws until the mount is firmly in place, but avoid overtightening to prevent damage.
- Ensure that the ACI is mounted above the rail for optimal visibility and accessibility.

3. Usage Instructions

- Familiarize yourself with the ACI before use to ensure proper functionality.
- Always doublecheck the security of the mount before using the ACI in the field.
- Follow all operational guidelines provided with the ACI for accurate measurements.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling the aluminum components if possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the ANGLE COSINE INDICATOR MOUNT GEN II, please contact the manufacturer directly. Ensure that you have the product details and any relevant information ready when reaching out for support.

Thank you for your attention to these safety guidelines. Your safety and satisfaction are our top priorities.
