

LOW PROFILE HARRIS BIPOD MOUNTS - BADGER ORDNANCE LOW PROFILE HARRIS M-LOK MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

Rock-Solid, Low-Profile Mount for Popular Harris Bipods

BADGER ORDNANCE LOW PROFILE HARRIS BIPOD MOUNTS The Badger Ordnance Low-Profile Harris Bipod Mount replaces your current mounting plate and thumbscrew to provide a more streamlined, lower-profile attachment point for Harris Engineering swivel-style bipods. It can be easily installed for use with any Harris BRM-S bipod in just a few minutes. Badger Ordnance's engineers designed the Low-Profile Harris Bipod Mount to be strong enough that it can even be used for barricade-braced shooting without the risk of the mount breaking. **FEATURES** For use with Harris BRM-S bipods Includes all necessary mounting hardware - Installation tool is not included Picatinny model attaches to any MIL-STD 1913 Picatinny accessory rail M-LOK® attaches to any handguard with Magpul M-LOK® attachment points The strength of Badger Ordnance's Low-Profile Harris Bipod Mount comes from its construction. It's machined from extra-strong 7075 T6 aluminum alloy - no flimsy plastic parts to fail - with a tough, corrosion-resistant Type III hardcoat anodized finish for a lifetime of stalwart service.

Safety Instruction Guide for Badger Ordnance Low Profile Harris Bipod Mount

Introduction

Thank you for choosing the Badger Ordnance Low Profile Harris Bipod Mount. This guide provides essential safety instructions, installation guidelines, and usage recommendations to ensure safe and effective operation of your bipod mount. Please read this document carefully before using the product.

General Safety Guidelines

To ensure safe use of the Badger Ordnance Low Profile Harris Bipod Mount, please adhere to the following general safety guidelines:

- Ensure that the product is suitable for your specific Harris BRMS bipod model.
- Always inspect the bipod mount for any signs of damage or wear before each use.
- Use the bipod mount only for its intended purpose as described in this guide.
- Keep the bipod mount out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities immediately.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

When using the Badger Ordnance Low Profile Harris Bipod Mount, please observe the following specific safety precautions:

- Ensure that the bipod mount is securely attached to the rifle before use.
- Do not exceed the recommended weight limit for your bipod and mount combination.
- Avoid using the bipod mount in extreme weather conditions that may affect its performance.
- Do not modify or alter the bipod mount in any way.
- Always use proper shooting techniques and maintain a safe shooting environment.

Instructions for Installation and Usage

Follow these instructions carefully to ensure proper installation and usage of the bipod mount:

Installation Instructions

1. **Gather Required Tools:** Ensure you have all necessary tools for installation. Note that an installation tool is not included with the product.
2. **Remove Existing Mount:** Carefully remove the current mounting plate and thumbscrew from your rifle.
3. **Attach the Bipod Mount:**
 - Align the Badger Ordnance Low Profile Harris Bipod Mount with the mounting points on your rifle.
 - Securely fasten the mount using the provided mounting hardware.
4. **Check Stability:** After installation, check that the bipod mount is stable and securely attached.

Usage Instructions

1. **Attach Bipod:** Once the mount is installed, attach your Harris BRMS bipod to the mount.
2. **Adjust for Use:** Adjust the bipod to your desired height and angle for optimal shooting position.
3. **Inspect Before Use:** Always perform a final inspection of the bipod mount and bipod before each use.

Disposal Instructions

When it comes time to dispose of the Badger Ordnance Low Profile Harris Bipod Mount, please follow these guidelines:

- Do not dispose of the product in regular household waste.
- Check local regulations for proper disposal of aluminum and other materials.
- If the product is damaged and cannot be reused, consider recycling the materials where possible.

Contact Information for Further Support

For any questions or concerns regarding the Badger Ordnance Low Profile Harris Bipod Mount, please refer to the contact information provided with your product packaging or visit the manufacturer's website for more details.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the Badger Ordnance Low Profile Harris Bipod Mount!
