# AR15/M16 Handguard Removal Tool Safety Instructions

## Introduction

Thank you for choosing the AR15/M16 Handguard Removal Tool. This tool is designed to simplify the process of installing and removing handguards for AR15 and M16 firearms. To ensure safe and effective use of this product, please read and follow the safety instructions provided in this guide.

## General Safety Guidelines

- Always use the tool in accordance with the manufacturer's instructions.
- Ensure that the firearm is unloaded before using the tool.
- Keep the tool out of reach of children and unauthorized users.
- Inspect the tool for any damage before each use. Do not use if damaged.
- Report any unsafe conditions or accidents to the relevant authorities.
- Stay informed about recalls and safety updates via the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Hazard Identification:**

- Potential for injury if the tool is used improperly.
- Risk of damage to the firearm if the tool is not used as intended.

- **Avoiding Hazards:**

- Always ensure the firearm is in a safe condition (unloaded) before use.
- Use the tool only for its intended purpose—removing and installing AR15/M16 handguards.
- Do not place fingers in the path of the tool during operation.
- Use the tool on a stable surface to prevent slipping.

- **AudienceSpecific Warnings:**

- This tool is not intended for use by individuals under the age of 18.
- Supervision is required when the tool is used by inexperienced users.

## Instructions for Installation and Usage

### 1. Preparation:

- Verify that the firearm is unloaded and safe to handle.
- Ensure that the work area is clean and free from obstructions.

### 2. Using the Tool:

- Hook the tool into the magazine well of the firearm.
- Firmly grip the handles of the tool.
- Push down on the handles to engage the delta ring.
- Maintain pressure to push the delta ring straight down.
- Remove both handguards quickly and safely.

### 3. PostUse:

- Once the handguards are removed, carefully detach the tool from the firearm.
- Store the tool in a safe place, out of reach of children and unauthorized users.

## **Disposal Instructions**

- Dispose of the tool responsibly in accordance with local regulations.
- Do not throw the tool in regular household waste.
- Check for any recycling programs in your area that accept metal tools.

## **Contact Information for Further Support**

For any inquiries regarding the safety and use of the AR15/M16 Handguard Removal Tool, please refer to the appropriate EU contact points and resources.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our top priorities.
