

AR-15 ARFX SKELETON STOCK - DOUBLE STAR AR-15 ARFX SKELETON STOCK FIXED MIL-SPEC BLK

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

Light & Strong For Fast Handling In Extreme Environments

AR-15 ARFX SKELETON STOCK Multiple sling points are but one of the many features that make this lightweight, aluminum stock ideal for competition and tactical use. A lightweight, fast handling stock for sporting, tactical and competition use. Gives three sling attachment points. Uses your existing A-2 fixed stock buffer tube as the top tube to keep weight to a minimum. Closed-cell, foam over-tube provides a soft, comfortable cheek weld, plus insulates your face from vibration and inclement weather. Over-tube is formulated to withstand cleaning solvents and gun oils, UV radiation, freezing temperatures, salt water and rough handling. Machined aluminum buttplate is drilled and tapped for rubber Butt Pad (included). Installation requires A-2 buffer tube, rifle buffer, and rifle buffer spring. SPECS: 6061-T6, heat-treated, aircraft grade aluminum Type 3, mil. spec. hard-anodized, matte black. 10" (25.4cm) long. 10.4 oz. (296 g) wt.

Safety Instruction Guide for AR15 ARFX Skeleton Stock

Introduction

Thank you for choosing the AR15 ARFX Skeleton Stock. This lightweight aluminum stock is designed for competition and tactical use. To ensure your safety and the optimal performance of the product, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Always ensure safe use of the product as per the guidelines outlined in this manual.
- **Enhanced Recalls:** Stay informed about any recalls or safety notices related to this product through official channels.
- **Online Shopping Safety:** If purchased online, ensure that the platform complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children or vulnerable individuals without proper supervision.
- **EU Contact Point:** For any safety inquiries, refer to the designated EU contact point.
- **Rapid Alerts:** Be aware of any updates regarding safety concerns through the EU Safety Gate system.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to malfunction or injury.
 - Ensure all components are compatible with your existing A2 fixed stock buffer tube.
 - The stock is designed to withstand various conditions but should not be exposed to extreme environments beyond its specifications.
- **Avoiding Hazards:**
 - Always check for any signs of wear or damage before use.
 - Do not exceed the manufacturer's weight limits.
 - Ensure that the stock is securely attached before handling the firearm.
- **Age Specific Warnings:**
 - This product should only be used by individuals aged 18 and older.
 - Ensure that minors are supervised by a responsible adult when handling firearms.

Instructions for Installation and Usage

- **Installation Instructions:**
 1. Gather the necessary tools: A2 buffer tube, rifle buffer, and rifle buffer spring.
 2. Ensure that the firearm is unloaded and pointed in a safe direction.
 3. Remove the existing stock from the buffer tube.
 4. Align the ARFX Skeleton Stock with the buffer tube and secure it in place.
 5. Attach the rubber butt pad to the machined aluminum buttplate using the drilled and tapped holes.
 6. Check that all components are securely fastened before use.
- **Usage Instructions:**

- When using the stock, ensure a proper grip and stance to maintain control.
- Utilize the sling attachment points as needed for stability.
- Regularly inspect the stock for any signs of damage or wear during use.

Disposal Instructions

- **Disposal of the Product:**

- When the product reaches the end of its life, dispose of it in accordance with local regulations for aluminum and firearm accessories.
- Do not dispose of the stock in regular household waste.
- Consider recycling the aluminum components where facilities are available.

Contact Information for Further Support

For any questions or concerns regarding the AR15 ARFX Skeleton Stock, please refer to the manufacturer's customer service or the designated EU contact point for assistance.

By following these safety guidelines, you can ensure a safer experience while using the AR15 ARFX Skeleton Stock. Stay informed and handle your equipment responsibly.
