# 1911 Recoil Spring Plug Safety Instructions

## Introduction

Thank you for choosing the 1911 Recoil Spring Plug. This product is designed to provide highquality performance and reliability for your firearm. It is essential to follow the safety guidelines and instructions outlined in this manual to ensure proper use and to minimize any risks associated with the product.

## General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the recoil spring plug and firearm in a secure location, out of reach of children and unauthorized users.
- Inspect the recoil spring plug before each use for any signs of damage or wear.
- Do not use the recoil spring plug if it appears damaged or does not fit properly.
- Follow all local laws and regulations regarding firearm use and storage.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the recoil spring plug.
- Handle the recoil spring plug with care to avoid injury from sharp edges.
- Wear safety glasses while working with the firearm to protect your eyes from potential debris.
- Do not modify the recoil spring plug in any way, as this may compromise safety and functionality.
- Only use the recoil spring plug with compatible 1911 models, specifically the Government model.

## Instructions for Installation and Usage

### Installation Steps

1. **Ensure Safety:** Confirm that the firearm is unloaded. Remove the magazine and visually inspect the chamber.
2. **Remove the Old Plug:** If applicable, carefully remove the old recoil spring plug by following the manufacturer's instructions.
3. **Install the New Plug:**
  - Align the new recoil spring plug with the recoil spring and guide rod.
  - Press down gently to secure it in place.
  - Ensure that it fits snugly and is properly seated.
4. **Reassemble the Firearm:** Follow the manufacturer's instructions to reassemble the firearm after installing the new recoil spring plug.
5. **Test Functionality:** Before using the firearm, perform a function check to ensure everything operates correctly.

### Usage Instructions

- Use the firearm according to the manufacturer's guidelines.
- Regularly inspect the recoil spring plug and other components for wear and tear.
- If you notice any irregularities during use, stop using the firearm immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of the recoil spring plug in accordance with local regulations.

- Do not dispose of the recoil spring plug in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## Contact Information for Further Support

For any inquiries regarding safety or product issues, please refer to the appropriate authorities or your local firearms dealer for assistance.

By adhering to these safety instructions, you can help ensure a safe and enjoyable experience with your 1911 Recoil Spring Plug. Always prioritize safety and responsible firearm handling.
