1911 Slide Stop Plunger Safety Instruction Guide

Introduction

Thank you for choosing the 1911 Slide Stop Plunger. This product is designed to provide reliable performance for your 1911 firearm. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always handle firearms with care and follow standard safety practices.
- Ensure that the firearm is unloaded before performing any maintenance or installation of parts.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of wear or damage before use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are using the correct part for your specific model (Government, Commander, Officers).
- Only use the 1911 Slide Stop Plunger with compatible 1911 Auto firearms.
- Avoid using excessive force when installing or removing the plunger.
- Do not modify the product in any way, as this may compromise safety and functionality.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools, including a punch and hammer.

2. Installation:

- Remove the existing slide stop plunger from the firearm using a punch to drive out the retaining pin.
- Carefully insert the new 1911 Slide Stop Plunger into the designated slot.
- Reinsert the retaining pin to secure the plunger in place.
- Ensure the plunger moves freely and is properly seated.

3. Usage:

- Test the functionality of the slide stop plunger by cycling the action of the firearm.
- Ensure that the slide stop engages and disengages properly.

4. PostInstallation Check:

- After installation, perform a thorough inspection of the firearm to ensure all parts are secure and functioning correctly.
- Conduct a function test with dummy rounds to verify that the firearm operates as intended.

Disposal Instructions

- Dispose of any old parts in accordance with local regulations.

- If the product is deemed unsafe or defective, do not attempt to use it. Follow local guidelines for the disposal of hazardous materials.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Slide Stop Plunger, please consult a qualified gunsmith or contact the manufacturer directly for assistance.

By following these safety instructions, you can ensure safe and effective use of your 1911 Slide Stop Plunger. Thank you for your attention to safety.
