

FIBER OPTIC SIGHT RODS - MOUNTING SOLUTIONS PLUS .060" ROD, 3-PACK

[Handgun Parts](#) > [Sights](#) > [Sight Parts](#) > [Replacement Sight Inserts](#)

Restores Your Fiber Optic Sight's Bright, Glowing Dot

Optical-grade, acrylic rods replace lost or broken rods on popular fiber optic sights. Gathers and funnels natural sunlight to produce a bright, luminous dot that quickly draws your eyes to the front sight so you get on target fast. Pak includes one each: red, green, and amber fiber optic rods. Available in four diameters to fit most fiber optic sights. .060" diameter rod fits most shotgun sights and .125" wide pistol sights. .040" fits most rifle and some shotgun sights, plus .090" wide pistol sights. .030" and .020" rods fit competition-style, rifle sights.

FIBER OPTIC SIGHT RODS MOUNTING SOLUTIONS PLUS .060" ROD, 3PACK Safety Instruction Guide

Introduction

Thank you for choosing the Fiber Optic Sight Rods Mounting Solutions Plus. This product is designed to enhance your shooting experience by providing a bright, luminous dot for improved targeting. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

General Safety Guidelines

- Always ensure that the product is used in accordance with the manufacturer's instructions.
- Inspect the rods before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Report any unsafe product incidents or accidents to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Do not use the rods if they are cracked, broken, or otherwise damaged.
- Ensure that the rods are correctly installed to avoid any risk of detachment during use.
- Avoid exposure to extreme temperatures or direct sunlight for prolonged periods, as this may affect the integrity of the acrylic material.
- Use only compatible sights to ensure optimal performance and safety.
- If you experience any irritation or discomfort while using the product, discontinue use immediately.

Instructions for Installation and Usage

1. Preparation:

- Gather the necessary tools for installation, including a screwdriver if required.
- Ensure your workspace is clean and free of distractions.

2. Installation:

- Remove any existing rods from your fiber optic sight according to the manufacturer's instructions.
- Select the appropriate diameter rod (.060", .040", .030", or .020") based on your sight specifications.
- Carefully insert the new fiber optic rod into the sight housing, ensuring it fits snugly.
- Secure the rod in place as per the sight manufacturer's guidelines.

3. Usage:

- Once installed, check the alignment of the rods to ensure they are straight and properly positioned.
- Use the sight in welllit conditions to take advantage of the luminous dot.
- Regularly check the rods for any signs of wear or damage before each use.

Disposal Instructions

- Dispose of any damaged or broken rods in accordance with local regulations for plastic waste.
- Do not dispose of the product in household waste; check for recycling options in your area.

Contact Information for Further Support

For any inquiries regarding the safety or usage of this product, please refer to the manufacturer's customer service or visit their official website for more information.

By following these guidelines, you can ensure a safe and enjoyable experience with your Fiber Optic Sight Rods Mounting Solutions Plus. Thank you for your attention to safety and proper usage.
