# GALCO Safari Ching Sling Safety Instruction Guide

## Introduction

Thank you for choosing the GALCO Safari Ching Sling. This product is designed to provide you with steady shooting support and comfort while carrying your rifle. To ensure safe and effective use of the sling, please read this safety instruction guide carefully. It contains important information regarding safety precautions, installation, usage, and disposal.

## General Safety Guidelines

- Always ensure that the sling is securely attached to your rifle before use.
- Regularly inspect the sling for any signs of wear, damage, or malfunction.
- Keep the sling out of reach of children and ensure it is used by responsible adults.
- Never use the sling for purposes other than intended, such as climbing or towing.
- Report any unsafe conditions or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- **Secure Attachment:** Always use the keyhole attachment system correctly to ensure the sling is securely fastened to your rifle.
- **Weight Distribution:** Ensure the sling is adjusted properly to distribute the weight of the rifle evenly across your shoulder.
- **Avoid Overloading:** Do not exceed the maximum weight capacity of the sling, which is designed for standard rifles with two 1" swivels.
- **Check for Obstructions:** Before shooting, ensure that the sling does not obstruct your movement or the rifle's operation.
- **Proper Handling:** Always handle your rifle in a safe manner, keeping the muzzle pointed in a safe direction.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the two 1" swivels on your rifle.
- Align the keyhole attachment system on the sling with the swivels.
- Slide the attachment through the swivel until it locks into place.
- Repeat the process on the second swivel.
- Ensure both attachments are secure before proceeding.

### 2. Adjustment:

- To adjust the length of the sling, locate the adjustment sliders.
- Pull the sliders to increase or decrease the length as needed.
- Ensure the sling fits comfortably on your shoulder while allowing for a steady aim.

### 3. Usage:

- When using the sling, ensure it is properly adjusted to maintain stability.
- Carry your rifle using the sling in a manner that allows for quick access while maintaining safety.
- Practice using the sling in a safe environment before heading to the field.

## **Disposal Instructions**

- Dispose of the sling responsibly at the end of its life cycle.
- If the sling is damaged or no longer usable, consider recycling the leather material where possible.
- Follow local regulations for the disposal of nonrecyclable materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the GALCO Safari Ching Sling, please refer to the manufacturer's contact information provided with your product. Ensure you have the product details handy for a more efficient response.

Thank you for your attention to these safety instructions. By following these guidelines, you can enjoy the benefits of your GALCO Safari Ching Sling while ensuring your safety and the safety of others.
