

# S&W REVOLVER RIMZ SPEEDLOADER - 25 SPEEDLOADER, 5-PAK

[Shooting Accessories](#) > [Speedloaders & Accessories](#) > [Moonclips](#)

## Long Lasting, Polymer Moon Clips Load & Unload With Just Your Fingertips

Flexible, molded-polymer, moon clips provide a means of ejecting rimless cartridges from early and late model Smith & Wesson revolvers. High-strength, hydrocarbon polymer won't rust, break or deform; fires 300-400+ rounds before requiring replacement. Loads easily by hand without the need for special tools or costly equipment. Keeps empties together, too. RIMZ 625 fits S&W M625-4 and newer revolvers in .45 ACP. RIMZ 25 fits S&W M1917, M25 and M625-3 and earlier in .45 ACP.

# S&W REVOLVER RIMZ SPEEDLOADER 25 SPEEDLOADER Safety Instructions

## Introduction

Thank you for choosing the S&W Revolver RIMZ Speedloader 25 Speedloader. This product is designed to enhance your shooting experience by providing a reliable means of ejecting rimless cartridges from Smith & Wesson revolvers. To ensure safe and effective use of this product, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle firearms and ammunition with care and responsibility.
- Ensure that the speedloader is compatible with your specific model of Smith & Wesson revolver.
- Keep the speedloader and all ammunition out of reach of children and unauthorized users.
- Regularly inspect the speedloader for any signs of wear or damage before each use.
- Store the speedloader in a cool, dry place away from direct sunlight and moisture.
- Always follow local laws and regulations regarding the use and storage of firearms and ammunition.

## Specific Safety Precautions for Use

- Use only the recommended cartridges specified for your speedloader model.
- Do not attempt to modify or alter the speedloader in any way.
- Ensure that the speedloader is fully loaded before attempting to use it.
- Do not exceed the recommended number of rounds when loading the speedloader.
- Avoid using the speedloader in wet or slippery conditions to prevent loss of grip.
- If you experience any difficulties while using the speedloader, stop using it immediately and consult the instructions or seek assistance.

## Instructions for Installation and Usage

### 1. Loading the Speedloader:

- Hold the speedloader in one hand and the cartridges in the other.
- Insert each cartridge into the speedloader, ensuring that they are seated properly.
- The speedloader should hold a maximum of 6 cartridges for optimal performance.

### 2. Using the Speedloader:

- Align the speedloader with the cylinder of your revolver.
- Press the speedloader firmly against the cylinder to release the cartridges.
- Ensure that all cartridges have been properly ejected into the cylinder.

### 3. Unloading the Speedloader:

- To unload, simply remove the cartridges from the speedloader by hand.
- Store the speedloader in a safe location when not in use.

## Disposal Instructions

- Dispose of the speedloader in accordance with local regulations regarding the disposal of polymer materials.
- Do not dispose of the speedloader in regular household waste.

- If the speedloader is damaged or no longer functional, consider recycling options available in your area.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the S&W Revolver RIMZ Speedloader 25 Speedloader, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for prioritizing safety while using the S&W Revolver RIMZ Speedloader 25 Speedloader. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
