

PICATINNY BIPOD ADAPTER - YANKEE HILL MACHINE CO., INC.

PICATINNY BIPOD ADAPTER

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipod Accessories](#)

Rock Solid Platform For Bipod Attachment

Lightweight, slimline design eliminates the clunky extra baggage look that goes along with trying to mate a bipod to a AR-15/M16 handguard. The rugged, aluminum platform with fixed attachment stud provides a superior fit to Weaver or Picatinny, accessory rails. Two hex-head crossbolts give uniform clamping pressure, so adapter remains rock solid while shooting. Specifically contoured to accept Harris and similar bipods that attach to a swivel stud.

Safety Instruction Guide for PICATINNY BIPOD ADAPTER

Introduction

Thank you for choosing the PICATINNY BIPOD ADAPTER from YANKEE HILL MACHINE CO., INC. This guide provides essential safety instructions and guidelines to ensure safe and effective use of the product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Regularly inspect the adapter for any signs of wear or damage before each use.
- Keep the product out of reach of children and ensure it is used only by responsible adults.
- Follow local laws and regulations regarding the use of bipods and firearm accessories.
- If you notice any unusual behavior or performance issues with the adapter, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Always ensure that the adapter is securely attached to the firearm before use.
- Do not exceed the manufacturer's weight limits for the bipod and adapter combination.
- Avoid using the adapter in adverse weather conditions that may affect its performance.
- Be aware of your surroundings and ensure a safe shooting environment.
- Use appropriate eye and ear protection while using the firearm equipped with the bipod adapter.

Instructions for Installation and Usage

1. Installation Steps:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Locate the swivel stud on your AR15/M16 handguard.
- Align the PICATINNY BIPOD ADAPTER with the swivel stud.
- Secure the adapter using the provided hexhead crossbolts. Ensure they are tightened evenly to maintain uniform clamping pressure.

2. Usage Instructions:

- Once installed, attach your Harris or similar bipod to the adapter.
- Verify that the bipod is securely attached before proceeding to use the firearm.
- Adjust the bipod legs to your desired height and position for stability.
- Always check the stability of the setup before taking any shots.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, consider recycling the aluminum material when possible.
- Do not dispose of the product in fire, as it may create hazardous conditions.

Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the PICATINNY BIPOD ADAPTER, please contact

YANKEE HILL MACHINE CO., INC. through the appropriate channels. Ensure to keep this guide for future reference.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your PICATINNY BIPOD ADAPTER. Thank you for prioritizing safety in your shooting activities.
