

M16/AR-15 TAKEDOWN TOOLS - SPORTING CONVERSIONS

MAGCATCH TOOL

[Gunsmith Tools](#) > [Rifle Tools](#) > [Magazine Tools](#)

Convenient Tools Remove Takedown Pins & Mag Catch Quickly

High-impact plastic tools drive out the front and rear takedown pins or help get the magazine catch out from your M16/AR-15 without scratching or marring the metal. Pushtool for the takedown pins comes in two versions: a bench model or a handy key ring model. Magcatch tool compresses the spring to make removal of the magazine catch easier.

M16/AR15 Takedown Tools Sporting Conversions Magcatch Tool Safety Instructions

Introduction

Thank you for choosing the M16/AR15 Takedown Tools Sporting Conversions Magcatch Tool. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read the following information carefully before using the tool.

General Safety Guidelines

- Ensure that the tool is used only for its intended purpose.
- Keep the tool out of reach of children and vulnerable individuals.
- Always wear appropriate protective gear, such as safety glasses, when using the tool.
- Inspect the tool before use to ensure it is in good condition and free from defects.
- Do not use the tool if it appears damaged or worn.
- Follow all instructions provided in this guide to avoid accidents and injuries.

Specific Safety Precautions for Use

- When using the takedown pin tool, ensure that the firearm is unloaded and pointed in a safe direction.
- Avoid applying excessive force when using the tools to prevent damage to the firearm or the tool itself.
- Use the magcatch tool only as directed to avoid injury or damage.
- Be cautious of sharp edges or moving parts while using the tools.
- Store the tools in a safe and dry location when not in use to prevent accidents.

Instructions for Installation and Usage

Takedown Pin Tool

1. Preparation

- Ensure the firearm is unloaded.
- Identify the front and rear takedown pins on your M16/AR15.

2. Using the Tool

- Select the appropriate version of the takedown pin tool (bench model or key ring model).
- Position the tool over the takedown pin you wish to remove.
- Gently drive out the pin using the tool, applying even pressure.
- Repeat for the other takedown pin if necessary.

Magcatch Tool

1. Preparation

- Ensure the firearm is unloaded.
- Locate the magazine catch on your M16/AR15.

2. Using the Tool

- Insert the magcatch tool into the magazine catch area.
- Compress the spring gently to ease the removal of the magazine catch.

- Follow the manufacturer's instructions for reassembly once the magazine catch is removed.

Disposal Instructions

- Dispose of the tool in accordance with local regulations for plastic waste.
- Do not dispose of the tool in household waste if it is damaged or broken; check for local hazardous waste disposal guidelines.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's contact information included with your product packaging or visit the manufacturer's website.

Thank you for using the M16/AR15 Takedown Tools Sporting Conversions Magcatch Tool. Your safety is our priority. Please follow these instructions carefully to ensure a safe and effective experience.
