

1911 DROP-IN MAXI-WELL - DROP-IN MAXI-WELL, SS/SNAKESKIN LPI

[Handgun Parts](#) > [Frame Parts](#) > [Mainspring Parts](#) > [Mainspring Housings](#)

Easier, Faster Reloads; Improves The Grip; No Gunsmithing Required

Drops right onto 1911 Auto frames without gunsmithing, and the separate magazine well can be removed without disassembling the pistol. Enlarged magwell greatly increases frame opening for faster and easier magazine changes. Flat housing increases grip surface area to help keep the pistol from riding up during rapid fire. Available in blue or stainless steel with 25 lpi machined checkering that helps keep the pistol centered in your grip. Also available with the exclusive Chainlink and Chainlink II designs. Both machined-in patterns provide a very secure, non-slip gripping surface, without the "sharpness" of conventional checkering that can sometimes abrade your hand or grab at your clothing during a concealed carry draw. Also available for the Officer's model in blued or stainless steel with 25lpi checkering.

Safety Instruction Guide for 1911 DROPIN MAXIWELL

Introduction

Thank you for choosing the 1911 DROPIN MAXIWELL. This product is designed to enhance the functionality of your 1911 Auto frames without the need for gunsmithing. This guide provides important safety information, installation instructions, and usage guidelines to ensure safe operation and compliance with EU safety regulations.

General Safety Guidelines

- Ensure that the product is compatible with your specific model of 1911 Auto frame (Government or Commander).
- Always handle firearms safely and responsibly, following all local laws and regulations.
- Before installing or using the product, ensure that your firearm is unloaded and the safety is engaged.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for wear or damage and replace it if necessary.
- In case of a malfunction or if you notice any unusual behavior during use, stop using the product immediately and consult a qualified gunsmith.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Improper installation may lead to malfunctions.
 - Excessive force during magazine changes can cause injury.
- **Avoiding Hazards:**
 - Follow the installation instructions carefully to avoid improper fitment.
 - Practice magazine changes with dummy rounds to become familiar with the process before using live ammunition.
 - Ensure that you have a firm grip on the firearm during rapid fire to prevent it from riding up.
- **Age Specific Warnings:**
 - This product is intended for use by individuals aged 18 years and older. Keep out of reach of children.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded.
- Remove the existing magazine well from your 1911 Auto frame.
- Align the DROPIN MAXIWELL with the frame and gently press it into place until it is securely seated.
- Check for proper fitment and ensure that the magazine well is firmly attached.

2. Usage:

- To insert a magazine, hold the firearm securely with one hand.
- With your other hand, insert the magazine into the enlarged magwell until it clicks into place.
- Practice magazine changes to become proficient and ensure safety during rapid fire situations.
- If using the exclusive Chainlink or Chainlink II designs, familiarize yourself with the grip patterns for optimal control.

Disposal Instructions

- Dispose of the product in accordance with local regulations for metal products.
- Do not dispose of the product in regular household waste.
- If the product is damaged beyond repair, consider recycling options available in your area.

Contact Information for Further Support

For any inquiries related to safety, installation, or product support, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your 1911 DROPIN MAXIWELL. Remember to always prioritize safety and responsibility when handling firearms.
