

# AR-15 CTR STOCK COLLAPSIBLE MIL-SPEC - MAGPUL CTR COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 FDE

[Rifle Parts](#) > [Stock Parts](#) > [Buttstocks](#)

## Locking System Eliminates "Play"

Features a friction locking mechanism that eliminates movement between the buffer tube and buttstock for a solid "feel" when mounting rifle to shoulder. Heavy duty, spring-loaded hand lever allows fast length-of-pull adjustments. Nylon polymer body provides maximum impact and heat resistance, with molded-in reinforcements at stress points. Accepts a variety of ambidextrous sling attachment options, including web slings and single-point, push-button sling mounts. Comb contour is wider than standard issue M4 stock to help shooter maintain a solid cheekweld. Synthetic rubber buttpad increases comfort and helps prevent slippage. Fits buffer tubes that accept both four- and six-position collapsible stocks. Buffer tube, carbine buffer, receiver extension nut, and carbine-length action spring not included. Available in Black, Dark Earth, and O.D. Green, so you can match the color of your stock to your tactical rifle's color scheme. Mil-Spec fits smaller 1.14" O.D. buffer tubes on Colt-manufactured M4 and similar mil-spec carbines.

## Attributes

- Name: [MAGPUL CTR COLLAPSIBLE MIL-SPEC CARBINE STOCK FOR AR-15 FDE](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100003137
- Mfr. No.: MAG310-FDE
- Colour: Dark Earth
- Material: Polymer
- Model: AR-15
- Style: Collapsible
- Type: Mil-Spec
- Weapon type: AR-15
- Delivery weight: 0.363kg
- Shipping height: 51mm
- Shipping width: 140mm
- Shipping length: 197mm
- UPC: 873750001517

## Item details

Made in USA

US export classification: 0A501.y.1

# Consumer Safety Instruction Guide for AR15 CTR Stock

## Introduction

Thank you for choosing the AR15 CTR Stock. This guide provides essential safety information and instructions for the proper use and maintenance of the product. Please read this document carefully to ensure safe operation and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as a collapsible stock for AR15 rifles.
- Always follow local laws and regulations regarding firearm accessories.
- Inspect the stock for any damage or defects before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe product experiences or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- **Friction Locking Mechanism:** Ensure the friction locking mechanism is engaged to prevent movement between the buffer tube and buttstock.
- **LengthofPull Adjustments:** Use the springloaded hand lever to adjust the lengthofpull. Make adjustments while the rifle is not in use to avoid accidental discharge.
- **Sling Attachment:** When attaching slings, ensure that they are properly secured to prevent accidental detachment during use.
- **Cheekweld Maintenance:** Use the wider comb contour to maintain a solid cheekweld while aiming. Ensure that the stock is properly fitted to your shoulder for stability.
- **Comfort and Slippage Prevention:** The synthetic rubber buttpad is designed to enhance comfort and reduce slippage. Ensure it is clean and free from debris.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the rifle is unloaded and pointed in a safe direction.
- Remove the existing stock from the buffer tube.
- Slide the AR15 CTR Stock onto the buffer tube until it is fully seated.
- Secure the stock by tightening the receiver extension nut as per the manufacturer's specifications.

### 2. Usage:

- Adjust the lengthofpull using the springloaded hand lever to achieve a comfortable fit.
- Check the friction locking mechanism to ensure it is secure before use.
- Attach slings as needed, ensuring they are compatible with the ambidextrous sling attachment options.

### 3. Maintenance:

- Regularly inspect the stock for wear and tear.
- Clean the nylon polymer body with a damp cloth to maintain its appearance and functionality.
- Store the stock in a dry, cool place when not in use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations for plastic and polymer materials.
- Do not incinerate or dispose of the product in a manner that could cause environmental harm.
- If the product is damaged beyond repair, contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please reach out to the designated contact point provided in the product packaging or visit the manufacturer's website.

This guide is designed to ensure your safety and the proper use of the AR15 CTR Stock. Always prioritize safety and adhere to the guidelines provided. Thank you for your attention and for choosing our product.
