Safety Instruction Guide for 1911 Lightweight Triggers Nighthawk Custom

Introduction

Thank you for choosing the 1911 Lightweight Triggers by Nighthawk Custom. This guide provides important safety information and instructions to ensure the safe use of your trigger. Please read this document thoroughly before installation and use.

General Safety Guidelines

- Ensure that the trigger is installed by a qualified gunsmith or a knowledgeable individual.
- Always treat your firearm as if it is loaded, even when it is not.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Do not modify the trigger or firearm in any way that could compromise safety.
- Be aware of your surroundings and ensure that your shooting environment is safe.

Specific Safety Precautions for Use

- **Avoid Sharp Edges:** The trigger is designed with crisp serrations for positive finger contact, but ensure that your fingers do not come into contact with any sharp edges.
- **Overtravel Adjustment:** Use the overtravel adjustment screw carefully. Make adjustments only when the firearm is unloaded and pointed in a safe direction.
- **Proper Handling:** Always maintain a firm grip when handling the firearm to prevent accidental discharges.
- **Shooting Position:** Ensure you are in a stable shooting position to maintain control over the firearm during use.
- **Vulnerable Groups:** Keep the firearm and trigger away from children and individuals who may not fully understand firearm safety.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that the firearm is unloaded before beginning installation.
2. Remove the existing trigger according to the manufacturer's instructions.
3. Install the 1911 Lightweight Trigger by aligning it with the trigger bow and securing it in place.
4. Use the hex wrench included to tighten any necessary screws.
5. Adjust the overtravel screw as needed for your preference, ensuring it does not interfere with the safe operation of the firearm.

- **Usage:**

1. Before using the firearm, perform a function check to ensure that the trigger operates smoothly.
2. Always wear appropriate eye and ear protection while shooting.
3. Follow all local laws and regulations regarding firearm use and ownership.
4. After use, clean the trigger and firearm according to the manufacturer's maintenance guidelines.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the trigger or firearm becomes damaged beyond repair, consult a qualified gunsmith for safe disposal.

options.

- Do not discard firearms or their parts in regular trash. Follow local laws for the disposal of firearms and firearm components.

Contact Information for Further Support

For any questions or concerns regarding the 1911 Lightweight Triggers or to report unsafe products, please contact your local Nighthawk Custom representative or visit the official Nighthawk Custom website for more information.

Important Note

This safety instruction guide is designed to help you use the 1911 Lightweight Triggers safely and effectively. Always prioritize safety and adhere to all guidelines to ensure a positive shooting experience.
