

ROCKET 3.5 TRIGGER INSTALLATION KIT FOR GLOCK® GEN 1-5 - GHOST 3.5 TRIGGER KIT FOR GLOCK®

[Handgun Parts](#) > [Trigger Group Parts](#) > [Trigger Parts](#) > [Triggers](#)

Provides Short Pre-Travel & Fast Reset

Reduce/Eliminate over-travel Kit with newly designed self-cleaning Rocket trigger connector helps eliminate bothersome pre-travel and REQUIRES adjustment for precise control of over-travel. Trigger connector features a self-cleaning debris channel that reduces accumulation of grit and residue for less friction, longer service life, and improved reliability; Rocket connector REQUIRES fitting. Installation requires no permanent alteration to pistol. Not for self-defense use with 4 lb. firing pin spring. For self-defense use or in a 10mm/.45 caliber Glock®, Ghost recommends the 6 lb. firing pin spring. The 4 lb. firing pin spring may cause light primer strikes in some pistols, and therefore is best used for Target/Sport purposes. Fits all Generations 1-5 Models except Glock® 42/43. Everything in kit will work on Gen 5 with the exception of the trigger spring.

Attributes

ROCKET 3.5 Trigger Installation Kit for Glock® Gen 15 Safety Instruction Guide

Introduction

Thank you for purchasing the ROCKET 3.5 Trigger Installation Kit for Glock® Gen 15. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- **Product Safety:** This product is designed to enhance the performance of your Glock® pistol while ensuring safe use. Always follow safety protocols when handling firearms.
- **Enhanced Recalls:** In the event of product recalls, you will be notified through standardized notices. Ensure you regularly check for updates regarding safety recalls.
- **Online Shopping:** The same safety protections apply when purchasing this product online as when buying instore. Ensure that your online retailer meets safety requirements.
- **Special Consumer Focus:** Extra precautions should be taken if the product is used in the presence of children or vulnerable individuals. Always store firearms and components out of reach.
- **EU Contact Point:** For any safety inquiries, please refer to the designated EU contact point for assistance.
- **Rapid Alerts:** Stay informed about product safety through the EU's Safety Gate platform, which provides updates on unsafe products.

Specific Safety Precautions for Use

- **Use Caution:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Installation Precautions:** Ensure the firearm is unloaded before beginning the installation process. Remove the magazine and check the chamber.
- **Fitting Requirements:** The Rocket connector requires fitting. Improper fitting can lead to malfunction or unsafe operation.
- **Trigger Spring Usage:** For selfdefense use, it is recommended to use a 6 lb. firing pin spring. The 4 lb. spring may cause light primer strikes in some pistols.
- **Target Use:** The 4 lb. firing pin spring is best suited for target and sport purposes only.
- **Avoid Permanent Alteration:** Installation of this kit requires no permanent alteration to your Glock® pistol. Follow instructions carefully to maintain the integrity of your firearm.

Instructions for Installation and Usage

1. Preparation:

- Ensure you have all the components from the kit:
 - ROCKET 3.5 Trigger Connector
 - RP firing pin safety spring
 - 4 lb. firing pin spring
 - 6 lb. firing pin spring
 - 6 lb. trigger spring
 - Ghost Armorers Plate
 - Ghost Armorers Tool
- Gather necessary tools for installation.

2. Installation Steps:

- **Step 1:** Unload your Glock® pistol completely. Remove the magazine and check the chamber.
- **Step 2:** Disassemble the pistol according to the manufacturer's guidelines.
- **Step 3:** Remove the existing trigger connector and replace it with the ROCKET 3.5 Trigger Connector.
- **Step 4:** Install the appropriate firing pin spring (4 lb. or 6 lb.) based on your intended use.
- **Step 5:** Install the trigger spring and ensure all components are fitted securely.
- **Step 6:** Reassemble the pistol and perform a function check to ensure proper operation.

3. Usage Guidelines:

- After installation, familiarize yourself with the new trigger feel and characteristics.
- Always conduct a function check after any modifications to ensure safety and reliability.
- Avoid using the modified firearm in situations where reliability is critical unless using the recommended components.

Disposal Instructions

- Dispose of any unused or old components in accordance with local regulations.
- Ensure that all firearm parts are disposed of safely to prevent unauthorized access.
- If in doubt, contact local authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ROCKET 3.5 Trigger Installation Kit, please refer to the manufacturer's support resources or your retailer.

By following these guidelines, you can ensure the safe and effective use of the ROCKET 3.5 Trigger Installation Kit for Glock® Gen 15. Always prioritize safety and compliance with local laws and regulations when handling firearms.
