

ARMORER'S BLOCKS - TANGODOWN SCAR LOWER RECEIVER/TRIGGER MODULE VISE

[Gunsmith Tools](#) > [Rifle Tools](#) > [Trigger Tools](#)

Protects Critical Components From Damage When Clamping For Maintenance

High-density polymer blocks allow critical subassemblies of the SOF Command Assault Rifle (SCAR) to be tightly clamped in a vise without danger of crushing, twisting, or otherwise distorting them. Provides secure support for safe, effective cleaning, adjustment, maintenance, and repair without marring or scratching the finish. Available as a complete set or separate components. Upper Receiver/Barrel Block surrounds the front sight/gas block to securely hold the barrel module while also protecting the exposed portion of the gas system leaving your upper free to be worked on. Lower Receiver/Trigger Module Block locks into the magazine well and absorbs all the clamping force to protect the SCAR's polymer lower receiver from damage. One end fits the 5.56x45mm SCAR-L; flip the block around and other end fits the 7.62x51mm SCAR-H. Bolt Maintenance Block gives proper support to disassemble the bolt for cleaning or repair. The SCAR Armorer's Block Set (100-003-431) contains the SCAR Lower block (100-003-428) and SCAR Upper blocks (100-003-470) ALONG with the block for bolt disassembly/assembly for bolt cleaning and maintenance. This set is the official SOCOM-issue Armorer's Block Set for the FNH SCAR MK16 & MK17. All major service procedures for this weapon system can be accomplished easily using the 5 piece set. Allows barrel service, trigger module repair, and bolt disassembly/reassembly for both calibers. Mounts MK13 grenade launcher for inspection and service as well. High grade injection molded nylon prevents marking or marring of weapon. For professional armorer or gunsmith use only.

Attributes

- Name: [TANGODOWN SCAR LOWER RECEIVER/TRIGGER MODULE VISE](#)
- Manufacturer: [TANGODOWN](#)
- Product no.: 100003428
- Mfr. No.: TMB001
- Model: SCAR
- Weapon type: FN
- Delivery weight: 0.159kg
- Shipping height: 30mm
- Shipping width: 97mm
- Shipping length: 137mm
- UPC: 305900350003

ARMORER'S BLOCKS TANGODOWN SCAR LOWER RECEIVER/TRIGGER MODULE VISE

Safety Instruction Guide

Introduction

Thank you for choosing the ARMORER'S BLOCKS TANGODOWN SCAR LOWER RECEIVER/TRIGGER MODULE VISE. This product is designed to assist in the safe cleaning, adjustment, maintenance, and repair of the SCAR rifle system. Please read this safety instruction guide carefully to ensure safe and effective use.

General Safety Guidelines

- **Product Safety:** The ARMORER'S BLOCKS are made from highdensity polymer, ensuring safe use during maintenance activities. Always follow the safety instructions to avoid any risks associated with improper use.
- **Enhanced Recalls:** In the unlikely event of a product recall, consumers will be notified through standardized notices. Ensure you register your product to receive updates.
- **Online Shopping Protections:** When purchasing online, ensure the seller complies with safety requirements. Keep receipts and product information for reference.
- **Special Consumer Focus:** This product is intended for professional armorers and gunsmiths. It is not recommended for use by children or individuals without proper training.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EUbased contact for assistance.
- **Rapid Alerts:** Stay informed about product safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Personal Protective Equipment (PPE):** Always wear appropriate PPE, such as safety glasses and gloves, when using the vise.
- **Work Area:** Ensure your workspace is clean, welllit, and free from distractions. Use the vise on a stable surface to prevent accidents.
- **Product Inspection:** Before each use, inspect the blocks for any signs of damage. Do not use if any components are cracked or broken.
- **Proper Clamping:** Ensure that all components are securely clamped before performing any maintenance. Avoid overtightening, which could damage the blocks or the SCAR system.
- **Avoid Heat Sources:** Keep the product away from direct heat sources to prevent deformation of the polymer material.
- **Child Safety:** Keep the product out of reach of children and individuals who may not understand its purpose or how to use it safely.

Instructions for Installation and Usage

1. Setup:

- Place the ARMORER'S BLOCKS on a flat, stable surface.
- Ensure that the blocks are clean and free of debris.

2. Using the Upper Receiver/Barrel Block:

- Position the Upper Receiver/Barrel Block around the front sight/gas block of the SCAR.
- Securely clamp the barrel module while ensuring that the gas system is protected.

3. Using the Lower Receiver/Trigger Module Block:

- Insert the Lower Receiver/Trigger Module Block into the magazine well of the SCAR.

- Ensure it locks in place to absorb clamping force.

4. **Using the Bolt Maintenance Block:**

- Place the Bolt Maintenance Block on a stable surface.
- Use it to support the bolt during disassembly for cleaning or repair.

5. **Maintenance Procedures:**

- Always follow the manufacturer's guidelines for disassembly and assembly of the SCAR components.
- Use the blocks to facilitate barrel service, trigger module repair, and bolt disassembly/reassembly.

6. **PostUse:**

- After completing maintenance, carefully remove the blocks and store them in a safe location.
- Clean the blocks with a damp cloth to remove any residue.

Disposal Instructions

- **Disposal of Product:** At the end of the product's life cycle, dispose of the ARMORER'S BLOCKS in accordance with local regulations for plastic waste. Do not dispose of in general waste.
- **Environmental Considerations:** Recycle the product if possible, or follow local guidelines for proper disposal of polymer materials.

Contact Information for Further Support

For any questions or concerns regarding the ARMORER'S BLOCKS TANGODOWN SCAR LOWER RECEIVER/TRIGGER MODULE VISE, please refer to the manufacturer's contact details or your point of purchase for assistance.

By following these safety instructions, you can ensure the safe and effective use of the ARMORER'S BLOCKS TANGODOWN SCAR LOWER RECEIVER/TRIGGER MODULE VISE. Thank you for your attention to safety!
