

AR-15/M16 MOE™ TRIGGERGUARD - MOE TRIGGERGUARD, O.D. GREEN

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Guards](#)

Provides Extra Clearance When Wearing Gloves; Drop-In Installation

Enhanced triggerguard has a shallow “V” shape that provides extra clearance for a shooter wearing gloves, and eliminates the gap at the rear of the USGI triggerguard that can trap or pinch finger. Smooth, ergonomically contoured surface and rounded edges protect the trigger finger from abrasion and won't snag on the operator's glove to impede the speed of target engagement. Replaces factory guard in minutes and requires no permanent alterations to receiver; reinstall original guard any time. Manufactured from high-grade, reinforced polymer that's lightweight, almost as strong as aluminum, and resistant to heat, cold and moisture. Fits mil-spec AR-15/M16 and clones, as well as many AR-style .308 models; installation instructions included.

Attributes

- Name: [MOE TRIGGERGUARD, O.D. GREEN](#)
- Manufacturer: [MAGPUL](#)
- Product no.: 100004158

AR15/M16 MOE™ Triggerguard Safety Instructions

Introduction

Thank you for choosing the AR15/M16 MOE™ Triggerguard. This product is designed to enhance your shooting experience by providing improved comfort and safety. Please read this safety instruction guide carefully to ensure proper use and installation, and to understand how to handle this product safely in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the triggerguard is compatible with your firearm model before installation.
- Always handle firearms with care and follow all safety protocols.
- Keep the triggerguard and all firearm components away from children and unauthorized users.
- Inspect the triggerguard regularly for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Wear appropriate eye and ear protection when using firearms.
- Ensure that your hands are clean and dry when handling the triggerguard to avoid slipping.
- Never attempt to modify the triggerguard or any firearm components.
- Ensure that the firearm is unloaded before installing or adjusting the triggerguard.
- Do not use the triggerguard if it appears damaged or does not fit properly.
- Avoid using the triggerguard in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools: a roll pin punch and a hammer (if applicable).

2. Removal of Factory Triggerguard:

- Locate the existing triggerguard on your firearm.
- Use the roll pin punch to carefully remove the roll pin securing the factory triggerguard.
- Gently pull the factory triggerguard away from the receiver.

3. Installation of the MOE™ Triggerguard:

- Align the new MOE™ Triggerguard with the mounting holes on the receiver.
- Insert the roll pin through the triggerguard and into the receiver.
- Use the hammer and roll pin punch to gently tap the roll pin into place until secure.
- Tighten the set screw to ensure proper fit.

4. Final Checks:

- Inspect the installation to ensure that the triggerguard is securely attached and does not obstruct any firearm functions.
- Test the triggerguard with gloves to ensure proper clearance and comfort.

5. Usage:

- Use the triggerguard as intended, ensuring that it does not interfere with the operation of the firearm.
- Maintain awareness of your surroundings and follow all shooting safety practices.

Disposal Instructions

- Dispose of the triggerguard in accordance with local regulations.
- Do not dispose of the triggerguard in regular household waste if it is damaged.
- Contact local waste management authorities for guidance on proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the AR15/M16 MOE™ Triggerguard, please refer to the contact information provided by your retailer or manufacturer. Ensure that you have the product details available for reference.

Thank you for prioritizing safety and compliance while using the AR15/M16 MOE™ Triggerguard. Enjoy your shooting experience responsibly!
